

FIELDS OF MISTRIA

Beyond The Fields Of Play

David Shribman, Jack DeGange

Beyond The Fields Of Play:

Fields of Play Robert T. Hayashi, 2023-09-26 Americans love sports from neighborhood pickup basketball to the National Football League and everything in between While no city better demonstrates the connection between athletic games and community than Pittsburgh Pennsylvania the common association of the city s professional sports teams with its blue collar industrial past illustrates a white nostalgic perspective that excludes the voices of many who labored in the mines and mills and played on local fields In this original and lyrical history Robert T Hayashi addresses this gap by uncovering and sharing overlooked tales of the region s less famous athletes Chinese baseball players Black women hunters Jewish summer campers and coalminer soccer stars These athletes created separate spaces of play while demanding equal access to the region s opportunities on and off the field Weaving together personal narrative with accounts from media popular culture legal cases and archival sources Fields of Play details how powerful individuals and organizations used recreation to promote their interests and shape public memory Combining this rigorous archival research with a poet s voice Hayashi vividly portrays how coal towns settlement houses municipal swimming pools state game lands stadia and the city s landmark rivers were all sites of struggle over inclusion and the meaning of play in the Steel City

Fields of Play in Modern Drama Thomas R. Whitaker, 2015-03-08 Starting from the assumption that all theater is at least implicitly participatory Professor Whitaker approaches thirteen plays from Ibsen s *Rosmersholm* to Beckett s *Endgame* and Stoppard s *Rosencrantz and Guildenstern Are Dead* He asks the reader to commit himself to a variety of points of view those of witnesses actors directors and characters as a series of critical fictions lead him toward the experience of each play in performance The author supplies detailed readings of the plays in various modes The styles of the chapters vary according to the issues dominant in the plays discussed and the reader experiences simultaneously a sense of approaching the meaning of performance and of gaining a deeper understanding of the play through a subtle and allusive commentary Originally published in 1977 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Fields of Play Laurel Richardson, 1997 How do the specific circumstances in which we write affect what we write How does what we write affect who we become How can we maintain professional and personal integrity in today s university In a series of traditional and experimental writings a culmination of ten years of works in progress Laurel Richardson records an intellectual journey displacing boundaries and creating new ways of reading and writing Applying the sociological imagination to the writing process she connects her life to her work Deeply engaging movingly written with grace elegance and clarity the book stimulates readers to situate their own writing in personal social and political contexts

Fields of Play Noel Dyck, 2012-01-01 At a time when people are living into their tenth decade the longest longitudinal study of human development ever undertaken offers welcome news for old age our lives evolve in our later years and often become more fulfilling Reporting on all aspects of male life Triumphs of Experience shares a number of surprising findings

Close of Play Walcott William Walcott, 2019-10-15 In this allegorical excursion William Walcott explores the intersections between United States politics and the game of cricket in a book reminiscent of C L R James's classic Beyond a Boundary In Close of Play Walcott highlights the careers of former US president Barack Obama and the Trinidadian cricket and cultural phenom Brian Lara one of the greatest batsmen of all time who Obama once called the Michael Jordan of cricket Readers are invited to explore the parallel poetics of politics and sport through the life and words of these luminaries both of whom promised to deliver far reaching social change yet found themselves on the back foot In his analysis Walcott delves into matters of Caribbean and American identity political leadership oratory and the blending of cricket vocabulary into political commentary He also challenges us to understand the sociological links between international sport socio economic inequality and racial politics This book is a fascinating journey into the world of global sociopolitical life and the curiosities of language embedded in cricket and political play both of which constitute enormous sectors within a multibillion dollar sticky wicket of transnational capitalism

Celebrating 40 Years of Play Research: Connecting Our Past, Present, and Future Michael M. Patte, John A. Sutterby, 2016-09-02 Play Culture Studies is a bi annual peer reviewed series published by the Association for the Study of Play For forty years The Association for the Anthropological Study of Play TAASP now The Association for the Study of Play TASP has served as the premier professional organization in academia dedicated to interdisciplinary research and theory construction concerning play During that time TASP has promoted the study of play forged alliances with various organizations advancing the cause for play organized yearly meetings to disseminate play research and produced an impressive catalog of play research through a variety of publications Volume 13 of the Play and Culture Studies Series highlights contributions that reflect upon the rich forty year history of TASP that explore current research examining the field of play and that advance future directions for play research
