Beyond Thirty Bison Frontiers Of Imagination:

Beyond Thirty Edgar Rice Burroughs, 2001-01-01 By the year 2137 Europe has become a largely forgotten savage wilderness Fierce bands of hunters rove the crumbling ruins of once mighty war ravaged cities On the other side of the Atlantic a prosperous Pan American Federation has emerged claiming all lands and seas between the 30th and 175th longitudes and forbidding contact with the rest of the world All who cross beyond thirty are sentenced to death Beyond Thirty is the story of Captain Jefferson Turck and the crew of his aero submarine who through accident and sabotage are forced beyond the thirtieth longitude and embark on an epic quest to rediscover the legendary lands of the Old World Their adventures stand as one of Edgar Rice Burroughs's most imaginative and subtly crafted tales Burroughs wrote the story in 1915 in reaction to the growing horrors of the First World War and his devastating vision of its consequences provides a haunting and enduring warning for the twenty first century

The Eternal Savage Edgar Rice Burroughs, 2003-01-01 With a new introduction this classic adventure tale from the creator of the Tarzan series finds Nu a Stone Age warrior trapped in suspended animation by an earthquake as he reawakens on Tarzan's African estate and tries to adapt to new surroundings including a relationship with a woman from Nebraska Reprint Science Fiction Fantasy

Under the Moons of Mars Edgar Rice Burroughs, 2003-01-01 Ambushed in the cold moonlight of an Arizona night Captain John Carter is inexplicably teleported to Mars called Barsoom by its inhabitants Legendary Barsoom where hostile tribes of towering green warriors roam an arid landscape of dead cities and feuding city states where pilgrimages are made to a river of death that conceals a terrifying secret where lifespans are measured in centuries and where airships speed through the thinning atmosphere while duels are fought with swords below Stranded and fighting for his life in a dying savage world John Carter embarks on one of the greatest adventures of all time as his destiny and Barsoom's become one The first three books of Edgar Rice Burroughs's brilliantly conceived Barsoom series A Princess of Mars The Gods of Mars and The Warlord of Mars are brought together here for the first time The trilogy follows the saga of John Carter from his unexpected arrival on Barsoom through hair raising adventures and startling discoveries from pole to pole of the planet

The Disappearance Philip Wylie, 2004-01-01 The female of the species vanished on the afternoon of the second Tuesday of February at four minutes and fifty two seconds past four o'clock Eastern Standard Time The event occurred universally at the same instant without regard to time belts and was followed by such phenomena as might be expected after happenings of that nature On a lazy quiet afternoon in the blink of an eye our world shatters into two parallel universes as men vanish from women and women from men After families and loved ones separate from one another life continues in very different ways for men and women boys and girls An explosion of violence sweeps one world that still operates technologically social stability and peace in the other are offset by famine and a widespread breakdown in machinery and science And as we learn from the fascinating parallel stories of a brilliant couple Bill and Paula Gaunt the foundations of relationships love and sex are scrutinized tested and sometimes redefined in both
