

BEYOND CHARITY

A Century of Philanthropic Innovation

A close-up photograph of two hands, likely belonging to a person of African descent, cupped together and holding a large quantity of small, light-brown grains, possibly rice or lentils. The hands are positioned in the foreground, with the grains filling the center of the frame.

Beyond Charity A Century Of Philanthropic Innovation:

Beyond Charity Eric John Abrahamson, 2013-01-15 **Giving in Time** Ray Madoff, Benjamin Soskis, 2023-03-15 Within the philanthropic sector as never before time is of the essence That is temporal considerations questions of intergenerational ethics of the merits of giving now versus giving later of the benefits and perils of perpetuity have gained greatly in prominence Bringing together the most esteemed contemporary scholars of philanthropy Giving in Time provides the first sustained analysis of the complex issues surrounding the temporal dimensions of voluntary giving Incorporating the perspectives of political scientists historians legal scholars and philosophers the contributors tackle critical questions confronting a new generation of philanthropists in a way that will appeal to academics and practitioners They take on questions such as What are the historical and moral foundations for establishing perpetual foundations What are the leading challenges to philanthropic perpetuity What is the significance of the recent trend toward Giving While Living the calls to give not through bequests but in one s lifetime What are the ethical arguments for giving now rather than giving later What is a giver s responsibility to his current moment in time versus his obligation to the future How does the legal framework supporting and structuring philanthropic practice shape approaches toward giving in time How should it Beyond Governments Eddie Rich, Jonas Moberg, 2017-09-08 In a world characterized by globalization governments increasingly find themselves unable to govern Corruption is everywhere natural resources are being exploited the environment damaged markets distorted and the fight against poverty is often ineffective Certain challenges cannot be addressed by governments alone Increasingly collective governance beyond governments is seen as part of the solution with state and non state actors working together This book sets out a framework for those wishing to implement collective governance involving civil society companies and governments as key actors Based on over eight years of running the most advanced example of collective governance at international level the Head and Deputy Head of the Extractive Industries Transparency Initiative EITI outline the practicalities and pitfalls and draw out the experience of the EITI as a case example Beyond Governments tells a positive story of how this type of innovative governance can make real achievements but also cautions against those who see collective governance as a silver bullet to solve development challenges It provides practical guidance from a practitioner s perspective and is essential reading for those in government business and academia Philanthropy Paul Valley, 2020-09-17 This is the definitive book on philanthropy its history contradictions and future John Gray Emeritus Professor of European Thought London School of Economics Good books lay out the lie of the land Important books change it This book is both Giles Fraser priest journalist and broadcaster The super rich are silently and secretly shaping our world In this groundbreaking exploration of historical and contemporary philanthropy bestselling author Paul Valley reveals how this far reaching change came about Vivid with anecdote and scholarly insight this magisterial survey from the ancient Greeks to today s high tech geeks provides an original take on the history of philanthropy It shows how giving has variously been a matter of honour

altruism religious injunction political control moral activism enlightened self interest public good personal fulfilment and plutocratic manipulation Its narrative moves from the Greek man of honour and Roman patron via the Jewish prophet and Christian scholastic through the Elizabethan machiavel Puritan proto capitalist Enlightenment activist and Victorian moralist to the robber baron philanthropist the welfare socialist the celebrity activist and today s wealthy mega giver In the process it discovers that philanthropy lost an essential element as it entered the modern era The book then embarks on a journey to determine where today s philanthropists come closest to recovering that missing dimension Philanthropy explores the successes and failures of philanthrocapitalism examines its claims and contradictions and asks tough questions of top philanthropists and leading thinkers among them Richard Branson Eliza Manningham Buller Jonathan Ruffer David Sainsbury John Studzinski Bob Geldof Naser Haghamed Lenny Henry Jonathan Sacks Rowan Williams Ngairé Woods and the presidents of the Rockefeller and Soros foundations Rajiv Shah and Patrick Gaspard In extended conversations they explore the relationship between philanthropy and family faith society art politics and the creation and distribution of wealth Highly engaging and meticulously researched Paul Valley s authoritative account of philanthropy then and now critiques the excessive utilitarianism of much modern philanthrocapitalism and points to how philanthropy can rediscover its soul

Just Giving Rob Reich, 2020-05-05 The troubling ethics and politics of philanthropy Is philanthropy by its very nature a threat to today s democracy Though we may laud wealthy individuals who give away their money for society s benefit Just Giving shows how such generosity not only isn t the unassailable good we think it to be but might also undermine democratic values Big philanthropy is often an exercise of power the conversion of private assets into public influence And it is a form of power that is largely unaccountable and lavishly tax advantaged Philanthropy currently fails democracy but Rob Reich argues that it can be redeemed Just Giving investigates the ethical and political dimensions of philanthropy and considers how giving might better support democratic values and promote justice

Controligarchs Seamus Bruner, 2023-11-14 Controligarchs peers into the future and provides a haunting and revelatory expos of the globalist elite s playbook for the next five years Peter Schweizer author of Red Handed Clinton Cash and Profiles in Corruption Imagine a world in which you own nothing and rent everything Most of the protein in your diet comes from bugs You are not allowed to have more than one child and your financial and medical data are instantly transferred to a centralized government database via a subdermal microchip Controligarchs warns that this will be our existence if the supranational elites of the World Economic Forum get their way In this book investigative journalist Seamus Bruner who led the teams whose findings sparked multiple FBI investigations and congressional probes into the Clintons and the Bidens exposes the billionaires who control the levers of power that dominate every aspect of your life Inside this pathbreaking new book you will discover Bill Gates s 11.7 billion food takeover scheme and the real reason he s snapping up America s farmland Mark Zuckerberg s 36 billion plot to reengineer society and force you into tech addiction Jeff Bezos s taxpayer funded electric vehicle ambitions climate hypocrisy and 1.2 billion plan to spy on

you by overseeing your smart home The Soros family's project to use its 25 billion empire to influence elections and society for the next 50 years How World Economic Forum WEF founder Klaus Schwab built an exclusive club in Davos where the top 25 WEF members now worth more than 10 trillion have more economic power than most world governments and how these global oligarchs are seizing control over our future Based on a mountain of financial filings insider documents and corporate records Controligarchs rips back the curtain on never before published revelations about the life altering schemes that globalist elites have in store for you This book is a must read for anyone who values American independence and personal freedom

Dialogues on Mobile Communication Adriana de Souza e Silva, 2016-10-04 In this book top scholars in the field of mobile communication discuss the major issues related to the use of mobile phones in today's society such as the tension between private and public youth mobile culture creative appropriations of mobile devices and mobile methods Each chapter unfolds as an open dialogue between scholars and graduate students of communication They contain an introduction by a student followed by a short lecture and a question and answer section with the students and a closing statement by a student that responds to the scholar's argument The book is a valuable resource not only for individuals interested in mobile communication but also students and teachers willing to use the affordances of mobile media to expand the physical boundaries of classrooms and promote collaborative learning practices

Kontroligarchowie Seamus Bruner, 2025-10-31 To wnikliwa ksiąka odsaniajca kulisy działania globalnych elit Wyobraź sobie świat w którym nic nie posiadasz wszystko wynajmujesz Głównie ród o białą skórę w twojej diecie stanowią owady Planowanie ciąży jednego dziecka jest nielegalne a dane dotyczące finansów i zdrowia automatycznie przesyłane do rzekomej bazy danych po rednictwem podskórnego mikrochipa Książka Kontroligarchowie ostrzega że taka sytuacja nie może być naszą przyszłością To nowatorskie spojrzenie na ponadnarodowe elity miliarderów w tym Rockefellerów Gatesa Bezosa Sorosa Zuckerberga czy Schwaba przejmujących kontrolę nad kluczowymi aspektami życia społecznego od edukacji i rolnictwa po media technologii i zdrowie publiczne Książka jest oparta na powszechnie dostępnych rzetelnych danych rejestrach finansowych planach biznesowych a także publikacjach prasowych i korporacyjnych Stanowi nie tylko doskonałe źródło wiedzy ale też ciekawą lekturę napisaną w stylu dobrego thrillera leżącego Kontroligarchowie są obowiązkową lekturą dla wszystkich którzy nie chcą biernie patrzeć jak kilka jednostek decyduje o losach miliardów ludzi To nie teoria spiskowa to dobre dziennikarstwo leżące

The Business of Giving P. Grant, 2011-12-06 The Business of Giving reviews current thinking and surveys the key techniques any philanthropist or grantmaker should adopt It also outlines a generic social investment process that can be utilized for all philanthropic or grantmaking programmes Essential reading for all engaged in or with an interest in philanthropy or civil society in general

Developments in Foundation Law in Europe Chiara Prele, 2014-07-17 This book deals with foundation law in various European countries It sums up contributions from the most outstanding experts in foundation law in fourteen countries These are either civil law or common law and their socio-economical situation is considerably different Despite the outstanding differences in each country foundations have been

growing in number and importance all over Europe in the last decades Political economical and social changes occurred in various European countries increased foundations role The need to focus on foundations laws and regulations arose in many States for different reasons The contributions in this book focus in particular on the recent development of foundation law on the evolution foundations have undergone in recent years and on trends in law
