Beyond Combat Women And Gender In The Vietnam War Era

J Dewey

Beyond Combat Women And Gender In The Vietnam War Era:

Beyond Combat Heather Marie Stur, 2011-09-26 *Beyond Combat* investigates how the Vietnam War both reinforced and challenged the gender roles that were key components of American Cold War ideology Refocusing attention onto women and gender paints a more complex and accurate picture of the war's far reaching impact beyond the battlefields Encounters between Americans and Vietnamese were shaped by a cluster of intertwined images used to make sense of and justify American intervention and use of force in Vietnam These images included the girl next door a wholesome reminder of why the United States was committed to defeating Communism and the treacherous and mysterious dragon lady who served as a metaphor for Vietnamese women and South Vietnam Heather Stur also examines the ways in which ideas about masculinity shaped the American GI experience in Vietnam and ultimately how some American men and women returned from Vietnam to challenge homefront gender norms

Beyond Combat Heather Marie Stur, 2011-09-26 *Beyond Combat* investigates how the Vietnam War both reinforced and challenged the gender roles that were key components of American Cold War ideology While popular memory of the Vietnam War centers on the combat moment refocusing attention onto women and gender paints a more complex and accurate picture of the war's far reaching impact beyond the battlefields Encounters between Americans and Vietnamese were shaped by a cluster of intertwined images used to make sense of and justify American intervention and use of force in Vietnam These images included the girl next door a wholesome reminder of why the United States was committed to defeating Communism the treacherous and mysterious dragon lady who served as a metaphor for Vietnamese women and South Vietnam the John Wayne figure entrusted with the duty of protecting civilization from savagery and the gentle warrior whose humanitarian efforts were intended to win the favor of the South Vietnamese Heather Stur also examines the ways in which ideas about masculinity shaped the American GI experience in Vietnam and ultimately how some American men and women returned from Vietnam to challenge homefront gender norms

Women's Antiwar Diplomacy during the Vietnam War Era Jessica M. Frazier, 2017-02-02 In 1965 fed up with President Lyndon Johnson's refusal to make serious diplomatic efforts to end the Vietnam War a group of female American peace activists decided to take matters into their own hands by meeting with Vietnamese women to discuss how to end U.S. intervention While other attempts at women's international cooperation and transnational feminism have led to cultural imperialism or imposition of American ways on others Jessica M. Frazier reveals an instance when American women crossed geopolitical boundaries to criticize American Cold War culture not promote it The American women Frazier studies not only solicited Vietnamese women's opinions and advice on how to end the war but also viewed them as paragons of a new womanhood by which American women could rework their ideas of gender revolution and social justice during an era of reinvigorated feminist agitation Unlike the many histories of the Vietnam War that end with an explanation of why the memory of the war still divides U.S. society by focusing on linkages across national boundaries Frazier illuminates a significant moment in history when women formed effective

transnational relationships on genuinely cooperative terms *The Oxford Handbook of American Women's and Gender History* Ellen Hartigan-O'Connor, Lisa G. Materson, 2018-09-04 From the first European encounters with Native American women to today's crisis of sexual assault *The Oxford Handbook of American Women's and Gender History* boldly interprets the diverse history of women and how ideas about gender shaped their access to political and cultural power in North America Over twenty nine chapters this handbook illustrates how women's and gender history can shape how we view the past looking at how gender influenced people's lives as they participated in migration colonialism trade warfare artistic production and community building Theoretically cutting edge each chapter is alive with colorful historical characters from young Chicanas transforming urban culture to free women of color forging abolitionist doctrines Asian migrant women defending the legitimacy of their marriages and transwomen fleeing incarceration Together their lives constitute the history of a continent Leading scholars across multiple generations demonstrate the power of innovative research to excavate a history hidden in plain sight Scrutinizing silences in the historical record from the inattention to enslaved women's opinions to the suppression of Indian women's involvement in border diplomacy the authors challenge the nature of historical evidence and remap what counts in our interpretation of the past Together and separately these essays offer readers a deep understanding of the variety and centrality of women's lives to all dimensions of the American past even as they show that the boundaries of women American and history have shifted across the centuries **The ^AOxford Handbook of Gender, War, and the Western World since 1600** Karen Hagemann, Stefan Dudink, Sonya O. Rose, 2020-10-30 To date war history has focused predominantly on the efforts of and impact of war on male participants However this limited focus disregards the complexity of gendered experiences with war and the military *The Oxford Handbook of Gender War and the Western World since 1600* investigates how conceptions of gender have contributed to the shaping of military culture examining the varied ideals and practices that have socially differentiated men and women's wartime experiences Covering the major periods in warfare since the seventeenth century *The Handbook* explores cultural representations of war and the interconnectedness of the military with civil society and its transformations **Protest in the Vietnam War Era** Alexander Sedlmaier, 2022-01-15 This book assesses the emergence and transformation of global protest movements during the Vietnam War era It explores the relationship between protest focused on the war and other emancipatory and revolutionary struggles moving beyond existing scholarship to examine the myriad interlinked protest issues and mobilisations around the globe during the Indochina Wars Bringing together scholars working from a range of geographical historiographical and methodological perspectives the volume offers a new framework for understanding the history of wartime protest The chapters are organised around the social movements from the three main geopolitical regions of the world during the 1960s and early 1970s the core capitalist countries of the so called first world the socialist bloc and the Global South The final section of the book then focuses on international organisations that explicitly sought to bridge and unite solidarity and protest around the world In an

era of persistent military conflict the book provides timely contributions to the question of what war does to protest movements and what protest movements do to war **A Companion to Women's Military History** Barton Hacker, Margaret Vining, 2012-08-17 This volume addresses the changing relationships between women and armed forces from antiquity to the present eight chapters review the existing literature an extended picture essay visually documents women s military work and eight chapters illustrate more restricted topics **Army Nurse Corps Voices from the Vietnam War** Janet D. Tanner, 2021-04-30 This book provides an oral history of women who served in the U S Army Nurse Corps during the Vietnam War It follows the trajectory of eight women s lives from their decision to become nurses to surgical and evacuation hospitals in Vietnam and then home to face the consequences of war on their personal and professional lives It documents their lived experience in Vietnam and explores the memories and personal stories of nurses who treated injured American soldiers Vietnamese civilians and the enemy Their voices reveal the physical and emotional challenges trauma contradictions and lingering effects of war on their lives Women in the U S Army in Vietnam feared the enemy but also sexual violence and harassment the experiences this book documents also shed light on the extent of historical sexual abuse in the military

The Republic of Rock Michael J. Kramer, 2013-06-27 Michael Kramer draws on new archival sources and interviews to explore sixties music and politics through the lens of these two generation changing places San Francisco and Vietnam From the Acid Tests of Ken Kesey and the Merry Pranksters to hippie disc jockeys on strike the military s use of rock music to boost morale in Vietnam and the forgotten tale of a South Vietnamese rock band The Republic of Rock shows how the musical connections between the City of the Summer of Love and war torn Southeast Asia were crucial to the making of the sixties counterculture The book also illustrates how and why the legacy of rock music in the sixties continues to matter to the meaning of citizenship in a global society today from publisher description **Small Revolutionaries** Mai Anh Nguyen, 2025-11-15 In Small Revolutionaries Mai Anh Nguyen analyzes the life histories of young Vietnamese who participated in the military struggle against the United States and its South Vietnamese allies from 1955 to 1975 Their contributions took many forms intelligence gathering camp care and maintenance even the building and destruction of roads using simple tools Through these activities and others young people contributed to the victory of the Vietnamese revolutionary forces At the same time they displayed significant political awareness kindness and empathy as well as remarkable resilience while navigating the physical dangers and emotional challenges of war Nguyen examines the predominant social order at the time which emphasized family loyalty collectivism and concern for one s community as well as communist ideology which children and youth internalized as part of their lives before joining the military effort Together these forces influenced the broader Vietnamese concept of childhood and the wartime experiences of young recruits In Small Revolutionaries young people emerge as active socially engaged and intelligent individuals with valuable and insightful stories to tell

Beyond Combat Women And Gender In The Vietnam War Era Book Review: Unveiling the Magic of Language
