Beyond the Glass, 1979 *Beyond The Glass* Antonia White, 2011-02-03 Clara Batchelor is twenty two Her brief doomed marriage to Archie over she returns to live with her parents in the home of her childhood She hopes for comfort but the devoutly Catholic household confines her and forms a dangerous glass wall of guilt and repression between Clara and the outside world Clara both longs for and fears what lies beyond and when she escapes into an exhilarating and passionate love affair her fragile identity cracks *Beyond the Glass* completes the trilogy sequel to *Frost in May* which began with *The Lost Traveller* and *The Sugar House* Although each is a complete novel in itself together they form a brilliant portrait of a young girl's journey to adulthood **Virago Reprints and Modern Classics** D-M Withers, 2021-05-20 Reprinting republishing and re covering old books in new clothes is an established publishing practice How are books that have fallen out of taste and favour resituated by publishers and recognised by readers as relevant and timely This Element outlines three historical textures within British culture of the late 1970s and early 1980s History Remembrance and Heritage that enabled Virago's reprint publishing to become a commercial and cultural success With detailed archival case studies of the Virago Reprint Library Testament of Youth and the Virago Modern Classics it elaborates how reprints were profitable for the publisher and moved Virago's books and the Virago brand name from the periphery of culture to the centre Throughout Virago's reprint publishing and especially with the Modern Classics the epistemic revelation that women writers were forgotten and could therefore be rediscovered was repeated again and again and made culturally productive through the marketplace
