Beyond The Ordinary Beyond The Ordinary:

Beyond The Ordinary Francella Daniels- Baker, 2023-07-11 Beyond the Ordinary is written for believers and nonbelievers around the world who will gain courage and strength as a result of reading this inspired book The book entails the extraordinary acts of God and His dealing in the lives of those who trust Him Each chapter concentrates on circumstances that initiates God supernatural intervention to protect to provide to comfort and to deliver His people All who call upon Him and seek His guidance will find that He is a present help in times of trouble In addition this book will also enlighten the readers of things that are obscure from mortal eyes yet there are spiritual forces working behind the scenes for our good or for our demise A very good example is Peter s miraculous deliverance from prison written in the chapter Eaten Alive by Worms or What Money Can Do to a Prophet All these and other exciting chapters are written for enlightenments and to encourage depth in readers faith in God As mortals we have fallacy and limitations but faith gives us an anchor in God who is the source of limitless possibilities and is truly beyond the ordinary Beyond the Usual Beating Andrew S.

Baer, 2020-04-10 The malign and long lasting influence of Chicago police commander Jon Burge cannot be overestimated particularly as fresh examples of local and national criminal justice abuse continue to surface with dismaying frequency Burge s decades long tenure on the Chicago police force was marked by racist and barbaric interrogation methods including psychological torture burnings and mock executions techniques that went far beyond the usual beating After being exposed in 1989 he became a symbol of police brutality and the unequal treatment of nonwhite people and the persistent outcry against him led to reforms such as the abolition of the death penalty in Illinois But Burge hardly developed or operated in a vacuum as Andrew S Baer explores to stark effect here He identifies the darkness of the Burge era as a product of local social forces arising from a specific milieu beyond the nationwide racialized reactionary fever of the 1960s and 1970s Similarly the popular resistance movements that rallied in his wake actually predated Burge s exposure but cohered with unexpected power due to the galvanizing focus on his crimes and abuses For more than thirty years a shifting coalition including torture survivors their families civil rights attorneys and journalists helped to corroborate allegations of violence free the wrongfully convicted have Burge fired and incarcerated and win passage of a municipal reparations package among other victories Beyond the Usual Beating reveals that though the Burge scandal underscores the relationship between personal bigotry and structural racism in the criminal justice system it also shows how ordinary people held perpetrators accountable in the face of intransigent local power Above & Beyond: Strategically Teaching Outside the Ordinary Rashida
