A Change in Momentum Mike Adams, 2023-11-24 Except for the ones we rescued most these Rangers have no clue what we ve been through and what we ve done and what we can do If they try sneak into New Cancun s landing field in the middle of the night they will get stomped They should let us do that The aliens will never know what hit them Besides I d like to add at least one more notch on my crossbow before I retire Montana Hernandez age 16 squad 4 archer Jacks Company The colonial capital New Hope Town has been abandoned and now West Hills is the last major settlement in the West still held by the human colonists and the aliens intend to change that very soon The problem for the Rift and their army of Andoval mercenaries now though is that they failed to capture any of the humans their last hope to gain some leverage before the next starship arrives with reinforcements for the Colonial Rangers They know they have lost but they have no choice but to continue the Andoval won t let them quit Even with the aliens closing in on the last of the human settlements things are beginning to shift in the human colonists and Colonial Rangers favor While the Battle of New Hope Town was going on Commander Rick Cassidy Gunnery Sergeant Molly Pickford and their Jacks Company plus the other units comprising Sixth Battalion have re taken the abandoned settlement of New St Louis from the aliens who had moved all their troops from there to the west for their campaign to take New Hope Town The time for the girls of Jacks Company to be

reunited with their families might be coming sooner than later and opportunities for taking back other lost towns are shifting the initiative away from the aliens Reports of Cases Argued and Adjudged in the Supreme Court of the United States
