James Alison and a Girardian Theology John P. Edwards, 2020-05-14 Opening with a Foreword by James Alison this volume is the first in depth treatment of Alison s theological method John P Edwards shows that Alison s theological project outstrips Ren Girard s application of mimetic theory to theology He concludes that an explicitly Christian theological perspective is necessary for providing a fully coherent account of Girard s notions of conversion and mimetic desire This volume grounds Alison s theological method in his understanding of the ongoing interaction between conversion and theological reflection which is informed by his use of mimetic theory While Alison describes this method as theology in the order of the discovery the author

refers to it as an inductive theology The volume closes by demonstrating that such a theology bears fruit in a renewed understanding of the value of Christian doctrines and particularly the doctrine of revelation *Burning Ambition* Jonathan Bernstein,2010-04-01 Alison Cole and the Department of Hotness are back and ready for action in the sizzling sequel to Hottie all about a Beverly Hills princess who can shoot fire from her fingertips Ever since defeating her evil stepmother Carmen Alison s life has been totally fla mazing But when she wins a coveted internship at Jen Magazine she ll have to take on fifteen year old Editor in Chief Pixie Furmanovsky the biggest Superbrat the world has ever seen Pixie always gets what she wants and now she s after Alison s boyfriend T Can Hottie give little miss BratGirl a Super Sweet Sixteen that she ll never forget Or is this Superteen about to get superfired Poets in Motion by PnPAuthors Peter & Pattimari Cacciolfi,2015-01-03 PnPAuthors bring together poets from around the world sharing their love of their lives and environments and different cultures They captive the moment for your pleasure and enjoyment Engaging Schooling Wayne Sawyer,Geoff Munns,Katina Zammit,Catherine Attard,Eva Vass,Caroline Hatton,2017-08-25 In Engaging Schooling the authors use case studies to engagingly demonstrate how schools can use pedagogical change to enable students from low SES backgrounds to benefit academically and socially from their schooling The book which builds on Exemplary Teachers of Students in Poverty from the same research team deals with key issues around the reshaping of schooling and teaching focusing on structures for mentoring and research practice among teachers It significantly advances international literature that highlights the role of pedagogy for engagement in the educational success of students from low SES backgrounds Moving beyond the individual classroom to focus on whole school change the book provides a clearer picture of processes which schools might undergo to engage students in low SES contexts including teacher research mentoring practices instructional leadership and classroom discourses The book will be of interest to all students teachers and professional researchers in the field of teacher education **A View from the Bottom** Tan Hoang Nguyen,2014-07-29 A View from the Bottom offers a major critical reassessment of male effeminacy and its racialization in visual culture Examining portrayals of Asian and Asian American men in Hollywood cinema European art film gay pornography and experimental documentary Nguyen Tan Hoang explores the cultural meanings that accrue to sexual positions He shows how cultural fantasies around the position of the sexual bottom overdetermine and refract the meanings of race gender sexuality and nationality in American culture in ways that both enable and constrain Asian masculinity Challenging the association of bottoming with passivity and abjection Nguyen suggests ways of thinking about the bottom position that afford agency and pleasure A more capacious conception of bottomhood as a sexual position a social alliance an affective bond and an aesthetic form has the potential to destabilize sexual gender and racial norms suggesting an ethical mode of relation organized not around dominance and mastery but around the risk of vulnerability and shame Thus reconceived bottomhood as a critical category creates new possibilities for arousal receptiveness and recognition and offers a new framework for analyzing sexual

representations in cinema as well as understanding their relation to oppositional political projects Corpus Stylistics in Principles and Practice Yufang Ho, 2011-03-17 In this book Yufang Ho compares the text style difference between the two versions of John Fowles *The Magus* exemplifying the methodological principles and analytic practices of the corpus stylistic approach *The Magus* was first published in 1966 and was revised and republished by Fowles in 1977 Fowles own comment on the second edition was that it was rather more than a stylistic revision The book explores how the revised version is linguistically different from the original especially in terms of point of view re representation The corpus stylistic approach adopted combines qualitative and quantitative comparison to confirm the overall text style difference The analysis demonstrates that computer assisted methods can identify significant linguistic features which literary critics have not noticed and provide a more detailed descriptive basis for literary interpretation of either edition of the novel This analysis of *The Magus* serves as a case study and exemplar of how corpus techniques may be used generally in the study of linguistics
