This is a book about young men who learned to play baseball during the 1930s and 1940s and then went on to play for one of the most exciting major league ball clubs ever fielded the team that broke the colour barrier with Jackie Robinson It is a book by and about a sportswriter who grew up near Ebbets Field and who had the good fortune in the 1950s to cover the Dodgers for the Herald Tribune This is a book about what happened to Jackie Carl Erskine Pee Wee Reese and the others when their glory days were behind them In short it is a book fathers and sons and about the making of modern America At a point in life when one is through with boyhood but has not yet discovered how to be a man it was my fortune to travel with the most marvelously appealing of teams Sentimental because it holds such promise and bittersweet because that promise is past the first sentence of this masterpiece of sporting literature first published in the early 70s sets its tone The team is the mid 20th century Brooklyn Dodgers the team of Robinson and Snyder and Hodges and Reese a team of great triumph and historical import composed of men whose fragile lives were filled with dignity and pathos Roger Kahn who covered that team for the New York Herald Tribune makes understandable humans of his heroes as he chronicles the dreams and exploits of their young lives beautifully intertwining them with his own then recounts how so many of those sweet dreams curdled as the body of these once shining stars grew rusty with age and battered by experience **The Boys of Summer** CJ

In the Darkness Mike slid over the side of the ship and in to the water without knowing direction swam away from the ship into the darkness hoping not to hear the sound of a rifle or the pain of its report Without knowing where he was Mike hoped he was swimming for shore hoping he would not end up as fish food He had escaped the Yankees This is a story of how our Country grew and how we grow A story of hard work hard thinking and true love Some time before the Civil War two families grow together and become part of that era's American dream The book will show them loving living and celebrating It will also show the sadness of separation and death The unforgettable pain of not knowing where someone is or what happened to them But worst the wrenching pain of not being able to help someone you love Witness the lives of two families become one Witness the boys of summer sun and youth enter the turbulence of lives winter No not that they should grow old in years Life has a winter for all and for some it comes early and is brutal Hope is down the road we know or at least we believe there will be spring The sun will warm us and all will be well
