A Restless Spirit The Last Months Of Manfred Von Richthofen:

A Restless Spirit Marc Cirigliano, 2014-12-01 War is both serious business and the most traumatic of events No one knew this more than Manfred von Richtofen the German World War I ace One of the central figures who both created and defined a new form of warfare up there in flying machines Manfred came to epitomize the battle flyer someone we today refer to as the fighter pilot In this historical novel author Marc Cirigliano takes us far from the inaccurate Hollywood stereotype of the uptight Prussian warrior and or its opposite the erroneous image of the reckless hard partying flyboy Instead Cirigliano creates an engaging narrative of historical fiction about the real Manfred A dutiful officer Manfred devoted son sibling and outdoorsman who loved to hunt hike and ride horses struggled in the last nine and a half months of his life from the physical and psychological injuries of a combat head wound he suffered at the height of his fame A Restless Spirit takes us into Manfred s day to day battles with Post Traumatic Stress Syndrome Traumatic Brain Injury and Post Concussive Syndrome With humor wit and insight Cirigliano develops a personality sketch that everyone who has experienced war or is interested in World War I will want to read As we live through the centenary of World War I A Restless Spirit is a must for readers both serious and casual

Manfred von Richthofen Tim Hillier-Graves, 2024-06-30 The story of how a young cavalry officer eager to serve his country became a pilot and then when success beckoned had his life taken over by a very skilled group of publicists writers photographers and artists It is more than a hundred years since Manfred von Richthofen the Red Baron was killed in combat on the Western Front Yet this gallant fighter pilot is probably as well known today as he was his lifetime Beginning in 1916 when his lethal skills were first realised his image proved a godsend to his country s propaganda machine There far above the misery of life in the trenches was a shooting star of unimaginable potency to help pacify a weary nation that was now beginning to believe that the war was no longer necessary or the losses justified And so an image of chivalry was conjured up and exploited with little regard of the cost of this to an increasingly war weary man Manfred von Richthofen The Red Baron and the High Price of Glory draws on many sources some previously untapped including interviews with pilots he fought alongside and against official documents held in collections around the world and the work of three noted Great War historians two of whom began their work in the 1920s all now dead but who left a rich legacy of research for us to explore In addition there are interviews with fifty or so pilots from the Second World War who went through much that von Richthofen experienced above the Western Front and could speak with authority about the effects of continuous combat flying on aviators This is the story of how a young cavalry officer eager to serve his country became a pilot and then when success beckoned had his life taken over by a very skilled group of publicists writers photographers and artists Every element of his life was picked over dissected and revealed to an ever growing and intrusive audience If he had simply been a celebrity royalty an actor or politician this attention might have been accepted but he was a front line pilot daily courting death leading many other men in a constant life or death struggle So here we have a man severely stressed by war then

stripped of his privacy and any opportunity to rest Inevitably some might say he became another victim of a bloody war but even in death the exploitation continued and was then re awakened a decade or so later by the Nazi s to help promote an even bloodier war The Great War in the Air Edgar Charles Middleton,1920 *The Broadview Anthology of British Literature Volume 6A: The Twentieth Century and Beyond: From 1900 to Mid Century* Joseph Black,Leonard Conolly,Kate Flint,Isobel Grundy,Don LePan,Roy Liuzza,Jerome J.
