# A Rough Ride To Albany Teddy Runs For Governor

**Edward P Kohn**

## **A Rough Ride To Albany Teddy Runs For Governor:**

**A Rough Ride to Albany** John A. Corry, 2000 The book also explains how Roosevelt had to balance his commitment to reform with the positions of New York's Republican leadership which did not share many of his priorities It thus provides lessons that are just as relevant today as they were more than one hundred years ago BOOK JACKET

**A Rough Ride to Albany** John A. Corry, 2000 The book also explains how Roosevelt had to balance his commitment to reform with the positions of New York's Republican leadership which did not share many of his priorities It thus provides lessons that are just as relevant today as they were more than one hundred years ago BOOK JACKET

**How Governors Built the Modern American Presidency** Saladin M. Ambar, 2012-04-17 A governor's mansion is often the last stop for politicians who plan to move into the White House Before Barack Obama was elected president of the United States four of his last five predecessors had been governors Executive experience at the state level informs individual presidencies and as Saladin M Ambar argues the actions of governors turned presidents changed the nature of the presidency itself long ago How Governors Built the Modern American Presidency is the first book to explicitly credit governors with making the presidency what it is today By examining the governorships of such presidential stalwarts as Grover Cleveland Theodore Roosevelt Woodrow Wilson and Franklin D Roosevelt political scientist Ambar shows how gubernatorial experience made the difference in establishing modern presidential practice The book also delves into the careers of Wisconsin's Bob La Follette and California's Hiram Johnson demonstrating how these governors reshaped the presidency through their activism As Ambar reminds readers governors as far back as Samuel J Tilden of New York who ran against Rutherford Hayes in the controversial presidential election of 1876 paved the way for a more assertive national leadership Ambar explodes the idea that the modern presidency began after 1945 instead placing its origins squarely in the Progressive Era This innovative study uncovers neglected aspects of the evolution of the nation's executive branch placing American governors at the heart of what the presidency has become for better or for worse

**Theodore Roosevelt and the Art of American Power** William R. Nester, 2019-02-28 Theodore Roosevelt is an American icon his face carved in granite alongside those of Washington Jefferson and Lincoln on Mt Rushmore He is the only American awarded both the Medal of Honor and Nobel Peace Prize As president he pushed through a stubborn Congress to breakup corporate monopolies strangling the economy impose health standards on the food and drug industries and conserve America's natural heritage including the Grand Canyon and Redwood forest He was a brilliant diplomat who ended a war between Japan and Russia and prevented a war between Germany and France He engineered independence for the province of Panama from Columbia then signed a treaty with the new country that entitled the United States to build run and defend a Panama canal He crusaded for progressive reforms as a New York assemblyman U S civil service commissioner New York City police commissioner and New York governor He led scientific expeditions across East Africa's savanna and Brazil's rainforest During the war with Spain he raised a cavalry regiment and led his Rough Riders to a

decisive victory at San Juan Heights As a Dakota rancher during the frontier s twilight he squared off with outlaws and renegade Indians He was a prolific writer authoring 38 books and hundreds of essays Roosevelt was among the most charismatic presidents Yet although most Americans adored him most Wall Street moguls and political bosses hated him for his reforms He was complex simultaneously peacemaker and warmonger progressive and conservative Machiavellian and Kantian avid hunter and nature lover Roosevelt accomplished all that he did because he mastered the art of American power His motto speak softly and carry a big stick exemplified how he asserted power to defend or enhance American interests Time after time he bested such titans as J P Morgan or Kaiser Wilhelm at the game of power Although he is the subject of dozens of books this is the first to comprehensively explore just how Roosevelt understood massed and wielded power to pursue his vision for an America as the world s most prosperous just and influential nation *I Rose Like a Rocket* Paul Grondahl,2007-05-01 Albany Times Union reporter Grondahl does an outstanding job of documenting Theodore Roosevelt s evolution from brash young political reformer to shrewd and pragmatic political operator always with his eye on various idealistic prizes Publishers Weekly **Heir to the Empire City** Edward P. Kohn,2013-12-10 Theodore Roosevelt is best remembered as America s prototypical cowboy president a Rough Rider who derived his political wisdom from a youth spent in the untamed American West But while the great outdoors certainly shaped Roosevelt s identity historian Edward P Kohn argues that it was his hometown of New York that made him the progressive president we celebrate today During his early political career Roosevelt took on local Republican factions and Tammany Hall Democrats alike proving his commitment to reform at all costs He combated the city s rampant corruption and helped to guide New York through the perils of rabid urbanization and the challenges of accommodating an influx of immigrants experiences that would serve him well as president of the United States A riveting account of a man and a city on the brink of greatness *Heir to the Empire City* reveals that Roosevelt s true education took place not in the West but on the mean streets of nineteenth century New York

**Why Veterans Run** Jeremy M. Teigen,2018-01-11 The assumptions that military service helps candidates attract votes while lacking it harms a candidate s chances has been an article of faith since the electoral coronation of George Washington in 1789 Perhaps the most compelling fact driving the perception that military service helps win votes is the large number of veterans who have held public office Some candidates even exaggerate their military service to persuade voters However sufficient counter examples undermine the idea that military veterans enjoy an advantage when seeking political office In *Why Veterans Run* Jeremy Teigen explains the tendency of parties to elevate those with armed forces experience to run for high office He describes the veteran candidate phenomenon by examining the related factors and patterns showing why different eras have more former generals running and why the number of veterans in election cycles varies With both quantitative and qualitative analysis *Why Veterans Run* investigates each postwar era in U S electoral history and elaborates why so many veterans run for office Teigen also reveals how election outcomes with veteran candidates illuminate the

relationship between the military and civilian spheres as well as the preferences of the American electorate *Hot Time in the Old Town* Edward P Kohn, 2010-07-27 One of the worst natural disasters in American history the 1896 New York heat wave killed almost 1 500 people in ten oppressively hot days The heat coincided with a pitched presidential contest between William McKinley and the upstart Democrat William Jennings Bryan who arrived in New York City at the height of the catastrophe As historian Edward P Kohn shows Bryan s hopes for the presidency began to flag amidst the abhorrent heat just as a bright young police commissioner named Theodore Roosevelt was scrambling to mitigate the dangerously high temperatures by hosing down streets and handing out ice to the poor A vivid narrative that captures the birth of the progressive era *Hot Time in the Old Town* revives the forgotten disaster that almost destroyed a great American city

**Pestilence, Insanity, and Trees** John M. Harris Jr., 2023-12-01 This is the first full length biography of New York surgeon and social activist Stephen Smith 1823 1922 who was appointed to fifty years of public service by three mayors seven governors and two U S presidents The book presents the complex life of Stephen Smith a consistent figure in the history of public health mental health housing reform in New York and even urban reforestation Utilizing Smith s writings public records and recently discovered personal correspondence this research shows how Smith succeeded where others failed It also acknowledges that Smith was unsuccessful in convincing his fellow professionals to fight for a cabinet level public health department or to resist the rise of custodial care for the mentally impaired Given Smith s many accomplishments the book asks us to consider if what stopped him stops us highlighting the relevance of Smith s story to contemporary debates *Pestilence Insanity and Trees* is a readable and well documented narrative and a resource for students and scholars filling gaps in the history of American medicine public health mental health and New York social reform

**Colonel Roosevelt** Edmund Morris, 2010-11-23 NEW YORK TIMES BESTSELLER A NEW YORK TIMES NOTABLE BOOK Colonel Roosevelt is compelling reading and Edmund Morris is a brilliant biographer who practices his art at the highest level A moving beautifully rendered account Fred Kaplan *The Washington Post* This biography by Edmund Morris the Pulitzer Prize and National Book Award winning author of *The Rise of Theodore Roosevelt* and *Theodore Rex* marks the completion of a trilogy sure to stand as definitive Of all our great presidents Theodore Roosevelt is the only one whose greatness increased out of office What other president has written forty books hunted lions founded a third political party survived an assassin s bullet and explored an unknown river longer than the Rhine Packed with more adventure variety drama humor and tragedy than a big novel yet documented down to the smallest fact this masterwork recounts the last decade of perhaps the most amazing life in American history Hair raising awe inspiring a worthy close to a trilogy sure to be regarded as one of the best studies not just of any president but of any American *San Francisco Chronicle*

Recognizing the quirk ways to acquire this book **A Rough Ride To Albany Teddy Runs For Governor** is additionally useful.
