A Reader In Ecclesiology Bryan Stone Ashgate Contemporary Ecclesiology:

A Reader in Ecclesiology Bryan P. Stone, 2016-03-16 This Reader presents a diverse and ecumenical cross section of ecclesiological statements from across the twenty centuries of the church's existence. It builds on the foundations of early Christian writings, illustrates significant medieval reformation and modern developments, and provides a representative look at the robust attention to ecclesiology that characterizes the contemporary period. This collection of readings offers an impressive overview of the multiple ways Christians have understood the church to be both the body of Christ and at the same time an imperfect social and historical institution constantly subject to change and reflective of the cultures in which it is found. This comprehensive survey of historical ecclesiologies is helpful in pointing readers to the remarkable number of images and metaphors that Christians have relied upon in describing the church and to the various tensions that have characterized reflection on the church as both united and diverse community and institution, visible and invisible, triumphant and militant, global and local. One and many. Students, clergy, and all interested in Christianity and the church will find this collection an invaluable resource.

Ecclesiology in the Trenches Sune Fahlgren, Jonas Idestrom, 2015-09-01 The field of ecclesiology is rapidly expanding as new material, theories, methods, and approaches are being explored. This raises important and challenging questions concerning ecclesiology as an academic discipline. This book takes the reader into the trenches of ecclesiological research where the actual work of reading, writing, interpreting, and analyzing is being done. The authors reflect on fundamental questions concerning theory and method in ecclesiology in relation to concrete and actual research projects. Ecclesiology is dealt with as a systematic, empirical, historical, and liturgical discipline. Essays explore theology in South Africa as shaped by apartheid, liturgical theology, the diaconate in an ecumenical context, Free Church preachership, suburban ecclesial identity, medieval church practices, liturgical texts, church floor plans, and ecclesiology as a gendered discipline. *Ecclesiology in the Trenches* is a book for anyone who is interested and involved in

ecclesiological research It is also an example of a reflective approach to academic work The book can be read as an overall argument for ecclesiology as a theological discipline with great potential for studying the church as a theologically defined empirical phenomenon The Ecclesiology of Thomas F. Torrance Kate Tyler,2019-08-12 This book provides a constructive analysis of Thomas F Torrance s ecclesiology Holding the doctrine of the Trinity to be the ground and grammar of theology

Torrance viewed the doctrine of the Trinity as foundational for all ecclesiological reflection What does it mean to be the people of the God whom Christians name as Father Son and Spirit Tyler examines Torrance s development of the rich potential of the metaphor koinonia involving both a vertical dimension the Church s union with Christ through the Spirit and a horizontal dimension its visible existence in human history lived out in space and time and considers how the relationship between these two dimensions informs the structured forms of the Church s life its ecumenical breadth and its missional vision

Anglicanism Very Revd Prof Martyn Percy,2013-07-28 This focused concentration and celebration of Anglican life could not be more timely Debates on sexuality and gender including women bishops whether or not the church has a Covenant or can be a Communion and how it is ultimately led are issues that have dominated the ecclesial horizon for several decades No book on Anglicanism can ever claim to have all the answers to all the questions However Martyn Percy s work does offer significant new insights and illumination highlighting just how rich and reflexive the Anglican tradition can be in living and proclaiming the gospel of Christ These essays provide some sharply focused snapshots of contemporary Anglicanism and cover many of the crucial issues affecting Anglicans today such as the nature of mission and ministry theological training and formation and ecclesial identity and leadership Church culture is often prey to contemporary fads and fashion Percy s work calls Anglicanism to deeper discipleship to attend to its roots identity and shape and to inhabit the world with a faith rooted in commitment confidence and Christ **Anglicanism** Martyn Percy,2016-04-15 This focused

Marking the Church Greg Peters,Matt Jenson,2016-12-09 More than one person has joked over the years that Evangelical believers do not have an ecclesiology In one sense that is absurd Evangelical churches especially if you include Pentecostals in that group are some of the fastest growing most vibrant churches in the world Evangelicals are proclaiming the gospel praising the Lord reading the Bible and loving the poor But there is a case to be made that the Evangelical devotion to the mission of the church has left Evangelicals with little time to reflect on the church itself In this collection of essays first given at annual meetings of the Evangelical Theological Society the authors take time to reflect on the nature of the church in an Evangelical context asking after the way in which it is one holy catholic and apostolic

AoG Leadership and Culture William Foster,2024-02-12 The growth of Global Pentecostalism in the past century has been studied and documented from many perspectives Its leadership culture and ecclesiology however has received scant academic and theological attention This book based on an extensive research study of the Assemblies of God of Great Britain AoG could not be more timely conducted as AoG entered its centenary decade and faced the challenges that its historic culture and leadership dynamics posed The leadership struggles discussed in this book will resonate with any denomination that has grown or wrestled with polity leadership and culture
