A Plague Of Prisons The Epidemiology Of Mass Incarceration In America:

A Plague of Prisons Ernest Drucker, 2011 Ernest Drucker argues that mass incarceration is an epidemic which negatively affects families and neighborhoods

The Oxford Handbook of Prisons and Imprisonment John D. Wooldredge, Paula Smith, 2018-03-09 Research on prisons prior to the prison boom of the 1980s and 1990s focused mainly on inmate subcultures inmate rights and sociological interpretations of inmate and guard adaptations to their environment with qualitative studies and ethnographic methods the norm In recent years research has expanded considerably to issues related to inmates mental health suicide managing special types of offenders risk assessment and evidence based treatment programs The Oxford Handbook of Prisons and Imprisonment provides the only single source that bridges social scientific and behavioral perspectives providing graduate students with a more comprehensive understanding of the topic academics with a body of knowledge that will more effectively inform their own research and practitioners with an overview of evidence based best practices Across thirty chapters leading contributors offer new ideas critical treatments of substantive topics with theoretical and policy implications and comprehensive literature reviews that reflect cumulative knowledge on what works and what doesn't The Handbook covers critical topics in the field some of which include recent trends in imprisonment prison gangs inmate victimization the use and impact of restrictive housing unique problems faced by women in prison special offender populations risk assessment and treatment effectiveness prisoner re entry and privatization The Oxford Handbook of Prisons and Imprisonment offers a rich source of information on the current state of institutional corrections around the world on issues facing both inmates and prison staff and on how those issues may impede or facilitate the various goals of incarceration

An Analysis of Michelle Alexander's *The New Jim Crow* Ryan Moore, 2017-07-05 Michelle Alexander's *The New Jim Crow* Mass Incarceration in the Age of Colorblindness is an unflinching dissection of the racial biases built into the American prison system Named after the laws that enforced racial segregation in the southern United States until the mid 1960s *The New Jim Crow* argues that while America is now legally a colorblind society treating all races equally under the law many factors combine to build profound racial weighting into the legal system The US now has the world's highest rate of incarceration and a disproportionate percentage of the prison population is comprised of African American men Alexander's argument is that different legal factors have combined to mean both that African Americans are more likely to be targeted by police and to receive long jail sentences for their crimes While many of Alexander's arguments and statistics are to be found in other books and authors work *The New Jim Crow* is a masterful example of the reasoning skills that communicate arguments persuasively Alexander's skills are those fundamental to critical thinking reasoning organizing evidence examining other sides of the question and synthesizing points to create an overall argument that is as watertight as it is persuasive
