Ready Defense Josh McDowell, 1990 **The best of Josh McDowell**, 1992 Transformed Thinking: A Defense of the Christian Worldview, English Standard Version Dr. Tom Wheeler, 2020-01-01 Believers need to learn to defend the Christian worldview. In today's world of varying religions, it's becoming more important for a Christian to know what they believe and why they believe it. In *Transformed Thinking*, Tom Wheeler clearly lays out the most fundamental beliefs of Christianity and compares them to other worldviews, providing arguments to support his beliefs. Even though this book is purposed for the classroom setting, it would be a beneficial read for any believer who wants to have a firm foundation on which to share their beliefs with unbelievers. From the beginning of the world to the inerrancy of Scripture, *Transformed Thinking* will provide you with solid answers for your faith. Advance Praise for *Transformed Thinking*: *Transformed Thinking* is a veritable encyclopedia of knowledge that provides foundational aspects in developing a Christian worldview. Dr. Brian Fairchild, D. Min. Pastor, Colonial Bible Church, Midland, Texas. This book is a must-read for every Christian layperson and leader in the Church. Dr. Sidney Dyer, Ph.D., Professor of Greek and New Testament, Greenville Presbyterian Theological Seminary. In the years I've taught high school seniors, Tom Wheeler's *Transformed Thinking* has proved to be truly effective in establishing and strengthening Biblical thinking in a world full of opposing views. Dr. Drew Conley, Ph.D., Pastor for Preaching and Teaching, Hampton Park Baptist Church, Greenville, SC. **What Happens When I Die?** Bill Wiese, 2013 Wiese shares some of the life after death stories that people have shared with him as he has traveled to speak about his own supernatural experiences. When you're only a heartbeat away from eternity, there are no second chances. A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection

addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

Christianity And The Supernatural: Why the Bible is Relevant Today Mark Apelt, 2017-01-09 All of us want to believe in an afterlife If it s true then we must have a soul or spirit We question this however because we are taught science has all the answers It is science vs the bible Physical vs supernatural To believe in the afterlife is to believe in God One area of research that has not been thoroughly examined in relationship to Christianity is the supernatural This book explores how archaeology scientific studies and personal stories reveal the accuracy of the bible Discover how we know we have a spirit why select people encounter angels and why some prayers are answered It will show you that there is an afterlife there is hope and that there is a God The stories of today resemble the stories of the bible The mystical events that happened then are similar in almost all aspects to what the bible tells us will happen Prophecies are continuing to be fulfilled The foreknowledge He gave his chosen people are still applicable today Angels are still sent to serve and protect us Our spirit will rejoin with God as told by near death experiencers God does exist and millions of people maybe even yourself have witnessed Him through the supernatural This leads to the conclusion God the bible and the supernatural are relevant today
