Behind The Veil By Ethel Wheeler:

Behind the Veil Ethel Rolt Wheeler,2017-12-28 Behind the Veil is a captivating book of mystical romantic short stories

Stealing Fire from Heaven Nevill Drury,2011-03-02 The Western magical traditions are currently undergoing an international resurgence In Stealing Fire from Heaven Nevill Drury offers an overview of the modern occult revival and seeks to explain this growing interest in ancient magical belief systems Gnosticism and the Hermetica the medieval Kabbalah Tarot and Alchemy and more recently Rosicrucianism and Freemasonry collectively laid the basis for the modern magical revival which first began to gather momentum in Europe at the end of the nineteenth century Western magic has since become increasingly eclectic drawing on such diverse sources as classical Greco Roman mythology Celtic cosmology Kundalini yoga and Tantra shamanism chaos theory and the various spiritual traditions associated in many different cultures with the Universal Goddess Drury traces the rise of various forms of magical belief and practice from the influential Hermetic Order of the Golden Dawn to the emergence of Wicca and Goddess worship as expressions of contemporary feminine spirituality He also explores Chaos Magick and the occult practices of the so called Left Hand Path as well as twenty first century magical forays into cyberspace He believes that the rise of modern Western magic stems essentially from the quest for personal spiritual transformation and direct experience of the sacred a quest which the trance occultist and visionary artist Austin Osman Spare once referred to as stealing fire from heaven Considered in this light Drury argues modern Western magic can be regarded as a form of alternative spirituality in which the practitioners seek direct engagement with the mythic realm

The Theosophical Review ,1906 **Academy and Literature** Charles Edward Cutts Birch Appleton,Charles Edward Doble,James Sutherland Cotton,Charles Lewis Hind,William Teignmouth Shore,Alfred Bruce Douglas,Ellis Ashmead-Bartlett,Thomas William Hodgson Crosland,1907 **The Studio** ,1907 **Feminist Writers of the Seventeenth Century** Samuel Alfred Richards,1914 *The Academy* ,1907 *The Studio* ,1906 **Austin Osman Spare** Phil Baker,2014 Austin Osman Spare is the definitive biography of the controversial occultist and artist an enfant terrible of the Edwardian art world whose work was both hailed as genius and decried as immoral decadence As George Bernard Shaw

reportedly said Spare's medicine is too strong for the average man. Trained as a draughtsman, Spare enjoyed early acclaim when at the age of seventeen his work was shown at the Royal Academy in London. But his star soon declined. Spare went underground, falling out of the gallery system to live in poverty and obscurity. After a brief association with Aleister Crowley, he became absorbed in occultism and sorcery, voyaging into inner dimensions while developing his own magical philosophy of pleasure obsession and the subjective nature of reality. All the while, Spare continued to produce extraordinary art and held his exhibitions outside of the conventional art world in London pubs. Today, Spare is both forgotten and famous, a cult figure whose modest life has been much mythologised since his death. The world's largest Spare collection is held by Jimmy Page of Led Zeppelin. Biographer Phil Baker separates fact from myth, providing wide-ranging insights into Spare's art and mind, reconnecting him with the art community that ignored him and exploring the rich tapestry of the culture that surrounded him. Interweaving the birth of psychoanalysis, the historiography of the occult, and the British class system, this richly readable and illuminating biography, containing 50 black and white and 8 color photographs of Spare's art, takes us deep into the strange inner world of this enigmatic artist.
