A Self Study Course On Political Islam Level 1 Volume 1:

A Self-Study Course on Political Islam, Level 1 Bill Warner, 2011-06 FACT BASED You can find opinions about Islamic doctrine in the main stream media but no facts That is because they do not study the only foundation of knowledge about the true nature of Islam Mohammed and Allah This self study course is based on three of the Islamic source texts the Koran the Sira biography of Mohammed and the Hadith his traditions If your knowledge comes from these original texts it can be verified and your understanding is on firm ground SECRETS REVEALED The Koran and all Islamic texts are difficult to read by design But when the artificial language is stripped away and replaced by simple English the results are astounding We learn that the Islamic ethical system is based on dualism one set of rules for Muslims and another set of rules for non Muslims Kafirs We find out that Mohammed was a slave trader an abuser of women and a warlord Islam as a religion was a failure Only when Mohammed turned to jihad and politics did he have any success A THREE LEVEL SELF STUDY COURSE The self study course covers fourteen different topics about Islam from three different views Each level can be read on its own but there is a progression of information This course will end your confusion about Islam You will understand what underlies the events in the Islamic world and what this means for our civilization This book is level 1 **Routledge**

ABOUT VOLUME ONE Friendship is an outcome of as well as a condition for advancing interfaith relations However for friendship to advance there must be legitimation from within and a theory of how interreligious relations can be justified from the resources of different faith traditions Friendship Across Religions explores these very issues seeking to develop a robust theory of interreligious friendship from the resources of each of the participating traditions It also features individual cases as models and precedents for such relations in particular the friendship of Gandhi and Charlie Andrews his closest personal friend Contributors Balwant Singh Dhillon Timothy J Gianotti
