The Evolution of Bruce Jenner The Washington Post,2015-03-03 Bruce Jenner captured America s attention by shattering world records in the Decathlon at the 1976 Summer Olympics Launched onto the world stage Jenner was young photogenic All American He humbly accepted the adulation of a nation and has stayed a household name ever since even more so in recent years as the patriarch of one of America s most famous and infamous families the Kardashian Jenner clan Almost forty years later the press has been covering Jenner s transition from male to female and should he come out publicly it would make him the highest profile person ever to come out as transgender Living life proudly and openly Jenner would serve as a role model for much of the transgender community But not for all His path has been controversial as some advocates see the celebrity glare given off by his connection to the Kardashian family as exploitative and his public persona making him a less than ideal spokesperson for transgendered people Bruce Jenner who seemingly always being watched by crowds now finds himself more scrutinized than ever

Messy Truth Caleb Kaltenbach,2021-08-10 From the author of Messy Grace a former pastor raised by gay parents comes a compassionate playbook to help Christians church staff and ministry leaders create a culture of belonging without sacrificing theological convictions What should we do This is a question many Christians are asking as they face shifting societal norms conflicting opinions and often inaccurate scriptural interpretations regarding those who identify as LGBTQ Caleb Kaltenbach believes there s a more helpful question What am I willing to do to keep and build influence with _____ Caleb knows our love for others is best measured by the lengths we ll go to help them He also recognizes that people find and follow Jesus better in community than in isolation As a child raised by three activist gay parents Caleb experienced firsthand the outrage of some Christians That s why he is committed to creating a sense of belonging for all people True community can happen only when Christians are intentional in infusing their attitudes systems and values with grace and truth This hopeful practical book offers tools for encouraging church involvement strengthening personal relationships increasing empathy and engaging in pivotal conversations about grace and truth with our whole community Fostering a culture of belonging is a messy process but it holds a massive possibility for everyone involved a growing relationship with Jesus
