A Theory Of Secession A Theory Of Secession

Fernando R. Tesón

A Theory Of Secession A Theory Of Secession:

A Theory of Secession Christopher Heath Wellman, 2005-09-05 First published in 2005 A Theory of Secession The Case for Political Self Determination offers an unapologetic defense of the right to secede Christopher Heath Wellman argues that any group has a moral right to secede as long as its political divorce will leave it and the remainder state in a position to perform the requisite political functions He explains that there is nothing contradictory about valuing legitimate states while permitting their division Once political states are recognized as valuable because of the functions that they are uniquely suited to perform it becomes apparent that the territorial boundaries of existing states might permissably be redrawn as long as neither the process nor the result of this reconfiguration interrupts the production of the crucial political benefits Thus if one values self determination then one has good reason to conclude that people have a right to determine their political boundaries

A Theory of Secession Christopher Heath Wellman, 2005-09-05 First published in 2005 A Theory of Secession The Case for Political Self Determination offers an unapologetic defense of the right to secede Christopher Heath Wellman argues that any group has a moral right to secede as long as its political divorce will leave it and the remainder state in a position to perform the requisite political functions He explains that there is nothing contradictory about valuing legitimate states while permitting their division Once political states are recognized as valuable because of the functions that they are uniquely suited to perform it becomes apparent that the territorial boundaries of existing states might permissably be redrawn as long as neither the process nor the result of this reconfiguration interrupts the production of the crucial political benefits Thus if one values self determination then one has good reason to conclude that people have a right to determine their political boundaries

A Theory of Secession Christopher Heath Wellman, 2005 A Theory of Secession The Case for Political Self Determination offers an unapologetic defense of the right to secede Christopher Heath Wellman argues that any group has a moral right to secede as long as its political divorce will leave it and the remainder state in a position to perform the requisite political functions He explains that there is nothing contradictory about valuing legitimate states while permitting their division Once political states are recognized as valuable because of the functions that they are uniquely suited to perform it becomes apparent that the territorial boundaries of existing states might permissably be redrawn as long as neither the process nor the result of this reconfiguration interrupts the production of the crucial political benefits Thus if one values self determination then one has good reason to conclude that people have a right to determine their political boundaries

Theories of Secession Percy B. Lehning, 2005-06-23 Theories of Secession presents a systematic analysis of the recent rise of secessionist movements in global politics Bringing together some of the most respected scholars in their field this study locates the right to secede in the context of contemporary political theory The chapters deal with problems of nationalism and federalism special rights to secede conditions of ethnic and cultural pluralism and asks if constitutions should include a right to secede

National Self-Determination and Secession Margaret Moore, 1998-10-08 In recent years

numerous multi national states have disintegrated along national lines and today many more in both the first and the third worlds continue to witness bitter secessionist struggles The proliferation of national conflicts and secessionist movements has given rise to many important questions which urgently need to be addressed When is secession justified What is a people and what gives them a right to secede Is national determination consistent with liberal and democratic principles Or is it a dangerous doctrine In the years following 1991 when Allen Buchanan published *Secession* a number of competing theories of the ethics of secession have been put forward This pathbreaking study by a host of leading figures in the field brings together for the first time a series of original essays on these theories Offering fresh insight into debates about contested territory the problem of minorities and the place of secession in resolving national conflicts this volume provides a much needed philosophical discussion of the normative implications of nationalism

Constitutionalising Secession David Haljan, 2014-11-01 *Constitutionalising Secession* proceeds from the question What if anything does the law have to say about a secession crisis But rather than approaching secession through the optic of political or nationalist institutional accommodation this book focuses on the underpinnings to a constitutional order as a law making community underpinnings laid bare by secession pressures Relying on the corrosive effects of secession it explores the deep structure of a constitutional order and the motive forces creating and sustaining that order A core idea is that the normativity of law is best understood through a constitutional optic as an integrative associative force *Constitutionalising Secession* critically analyses conceptions of constitutional order implicit in the leading models of secession and takes as a leading case study the judicial and legislative response to secession in Canada The book therefore develops a concept of constitutionalism and law making associative constitutionalism to describe their deep structure as a continuing integrative process of association This model of a dynamic process of value formation can address both the association and the disassociation of constitutional systems

Theories of Secession Percy B. Lehning, 2005-06-23 *Theories of Secession* presents a systematic analysis of the rise of secessionist movements in global politics Bringing together a collection of experts in the field it provides a timely forum for debate in this contentious area of study

Terrorism J. Angelo Corlett, 2012-12-06 This book is the culmination of over 15 years of research on terrorism secession and related concepts such as the obligation to obey the law pacifism civil disobedience non violent direct action political violence revolution and assassination It is sincerely hoped that the content of this book is construed as an ethical and philosophical attempt to advance human understanding of some of life s most intractable problems namely terrorism and more generally political violence This book is proffered as a propaedeutic to further study of these issues and is not to be interpreted as the author s final word on them For the pursuit of truth and avoidance of error is never wholly complete but at best a life long process of continual reflection analysis and argument And it will please the author of this book if it brings even a modicum of knowledge to the difficulties it investigates Some of the chapters of this book have been published or have otherwise experienced the critical assistance of various public academic

forums and I am sincerely grateful to those who have shaped my thinking about terrorism and its related concepts Among those who have provided critical and helpful insights concerning various sections of the contents of this book are David Copp Richard Falk Joel Feinberg Richard W Miller and Thomas Pogge

Morality and Legality of Secession Pau Bossacoma Busquets, 2019-11-19 This book explores secession from three normative disciplines political philosophy international law and constitutional law The author first develops a moral theory of secession based on a hypothetical multinational contract Under this contract theory injustices do not determine the existence of a right to secede but the requirements to exercise it The book's second part then argues that international law is more inclined to accept and advance a remedial right approach to secession Therefore justice as multinational fairness is to be fully institutionalized under the constitutional law of liberal democracies The final part proposes constitutionalizing a qualified right to secede with the aim of fostering recognition and accommodation of national pluralism as well as cooperation and compromise between majority and minority nations

The Theory of Self-Determination Fernando R. Tesón, 2016-04-06 In this book leading scholars re-examine the principle of national self-determination from diverse theoretical perspectives

A Theory Of Secession A Theory Of Secession Introduction

In the digital age, access to information has become easier than ever before. The ability to download A Theory Of Secession A Theory Of Secession has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download A Theory Of Secession A Theory Of Secession has opened up a world of possibilities. Downloading A Theory Of Secession A Theory Of Secession provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading A Theory Of Secession A Theory Of Secession has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download A Theory Of Secession A Theory Of Secession. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading A Theory Of Secession A Theory Of Secession. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading A Theory Of Secession A Theory Of Secession, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download A Theory Of Secession A Theory Of Secession has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so,

individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About A Theory Of Secession A Theory Of Secession Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
