What My Father and I Don't Talk About Michele Filgate, 2025-05-06 A follow up to the wildly successful What My Mother and I Don't Talk About this collection of essays from sixteen notable writers breaks the silence on the complex and sometimes contentious relationships we have with our fathers What My Mother and I Don't Talk About has become a rare gem in the literary world Both a viral sensation online and chosen by Oprah Daily as one of the best nonfiction books of the past two decades it is an essential collection that dives into the personal and poignant topics we often struggle to discuss with those who are meant to know and love us best This captivating follow up edited by Michele Filgate tackles the intricate and challenging relationships we have with our dads breaking the silence around these vital connections Andrew Altschul reflects on the life altering experience of becoming a father and how it reshaped his view of his own dad's parenting Isle McElroy shares memories of weekends spent tagging along as their father fixed up the homes of their wealthier neighbors Jaquira Diaz delves into her father's history in 1970s Williamsburg uncovering the roots of their shared restlessness Tom's Q Morin paints a raw portrait of an absentee father while Kelly McMasters portrays a loving and dedicated one Maurice Carlos Ruffin insightfully captures a father who communicated through his integrity rather than words Jiordan Castle reveals how we can love our fathers from a distance and Susan Muaddi Darraj explores the particular challenges of eldest daughter syndrome as a daughter of Palestinian immigrants With moments that are both humorous and deeply moving this anthology is the second act that many have been eagerly waiting for Contributions by Michele Filgate Andrew Altschul Alex Marzano Lesnevich Maurice Carlos Ruffin Dylan Landis Jaquira Diaz Kelly McMasters Isle McElroy Susan Muaddi Darraj Tom's Q Morin Robin Reif Heather Sellers Jiordan Castle Nayomi Munaweera Joanna Rakoff and Julie Buntin

Monetizing Innovation Madhavan Ramanujam, Georg Tacke, 2016-05-02 Surprising rules for successful monetization Innovation is the most important driver of growth Today more than ever companies need to innovate to survive But successful innovation measured in dollars and cents is a very hard target to hit Companies obsess over being creative and innovative and spend significant time and expense in designing and building products yet struggle to monetize them 72% of innovations fail to meet their financial targets or fail entirely Many companies have come to accept that a high failure rate and the billions of dollars lost annually is just the cost of doing business Monetizing Innovations argues that this is tragic wasteful and wrong Radically improving the odds that your innovation will succeed is just a matter of removing the guesswork That happens when you put customer demand and willingness to pay in the driver seat when you design the product around the price It's a new paradigm and that opens the door to true game change You can stop hoping to monetize and start knowing that you will The authors at

Simon Kucher know what they re talking about As the world s premier pricing and monetization consulting services company with 800 professionals in 30 cities around the globe they have helped clients ranging from massive pharmaceuticals to fast growing startups find success In Monetizing Innovation they distil the lessons of thirty years and over 10 000 projects into a practical nine step approach Whether you are a CEO executive leadership or part of the team responsible for innovation and new product development this book is for you with special sections and checklist driven summaries to make monetizing innovation part of your company s DNA Illustrative case studies show how some of the world s best innovative companies like LinkedIn Uber Porsche Optimizely Draeger Swarovski and big pharmaceutical companies have used principles outlined in this book A direct challenge to the status quo spray and pray style of innovation Monetizing Innovation presents a practical approach that can be adopted by any organization in any industry Most monetizing innovation failure point home Now more than ever companies must rethink the practices that have lost countless billions of dollars Monetizing Innovation presents a new way forward and a clear promise Go from hope to certainty

The Geek's Chihuahua Ian Bogost,2015-04-22 At dinnertime check At a traffic light check In bed at the end of the day check In line at the coffee shop check In The Geek s Chihuahua Ian Bogost addresses the modern love affair of living with Apple during the height of the company s market influence and technology dominance The ubiquitous iPhone and its kin saturate our lives changing everything from our communication to our posture Bogost contrasts the values of Apple s massive success in the twenty first century with those of its rise in the twentieth And he connects living with Apple with the phenomenon of hyperemployment the constant overwork of today s technological life that all of us now experience Bogost also reflects on the new potential function as well as anxiety and anguish of devices like the Apple Watch We are tethered to our devices and as Bogost says that s just life anxious overworked and utterly networked life Forerunners Ideas First is a thought in process series of breakthrough digital publications Written between fresh ideas and finished books Forerunners draws on scholarly work initiated in notable blogs social media conference plenaries journal articles and the synergy of academic exchange This is gray literature publishing where intense thinking change and speculation take place in scholarship

Markets and the Arts of Attachment Franck Cochoy,Joe Deville,Liz McFall,2017-05-18 The collection explores how sentiment and relations are organised in consumer markets Social studies of economies and markets have much more to

offer than simply adding some context culture or soul to the analysis of economic practices As this collection showcases studying markets socially reveals how attachments between people and products are engineered and can explain how and why they fail The contributors explore the tools and techniques used to work with sentiment aesthetics and relationships through strategies including social media marketing consumer research algorithmic profiling personal selling and call centre and relationship management The arts of attachment as the various contributions demonstrate play a crucial but often misunderstood role in the technical and organisational functioning of markets

Miseducating for the Global Economy

Gerald Coles, 2018-06-26 Reveals that behind the going concern for global economy education lies capitalism's indifference to human values to a fair distribution of resources to its radical restructuring of workplaces with an attendant intensification of work effort and to the genuine well being of workers and their families Coles provides a real education about the twenty first century global economy and what corporations are doing to prevent our learning about it He describes the intellectually narrow and morally crippling effects of the corporate control of education how the imperative for profit maximizes the misunderstanding of communities nations and the environment even as it minimizes aesthetic appreciation cultural expression compassion itself But it is by understanding all this Coles argues that real change can begin Adapted from publisher description
