to concede defeat his stories are infused with the improbable grace of the spirit that ought to collapse but cannot For in these extraordinary pieces of fiction it is not goodness that finally redeems us but the heart's illogical resilience and the ennobling tenacity with which we cling to each other and to our lives The Pugilist at Rest commemorates one of the most electrifying voices in American fiction and a writer of magnificent depth and range With these eleven stories Thom Jones takes his place among the ranks of this country's most important authors **The Apple of My Eye** Mary Ellen
