Coaching Basketball Technical & Tactical Skills Coach Education, 2006-11-29. Numerous coaching books cover the skills and drills of basketball but very few hit on the tactical skills of the game: the situational decisions players and coaches make that often determine the outcome of games. That's where *Coaching Basketball Technical and Tactical Skills*, an American Sport Education Program ASEP publication, stands out. Written by Kathy McGee, the winningest high school girls basketball coach in Michigan in consultation with USA Basketball's Don Showalter, this book will prepare you to be a better teacher and tactician of the game whether you coach men's or women's basketball. Technical skills such as dribbling, shooting, and rebounding are examined in depth, as are the tactical skills such as the give and go, backdoor cut, and trapping. More than 195 photos and illustrations bring the basic to intermediate skills to life, while sample season and practice plans will help you in your preparation. You'll find quick tips on how to detect and correct errors in both male and female athletes; cues they need to be aware of in various tactical situations; and key information they need in order to make the appropriate on-court decisions. Produced by ASEP and endorsed by the Women's Basketball Coaches Association (WBCA), this book serves as a resource for the *Coaching Basketball Technical and Tactical Skills* online course, a part of ASEP's Bronze Level Professional Coaches Education Program. Numerous state high school associations, colleges, and universities, national sport organizations, and national governing bodies of Olympic sports use the Bronze Level in whole or in part to qualify coaches. The Bronze Level prepares coaches for all aspects of coaching and is a recognized and respected credential for all who earn it.
