Use the Read Strategy to answer the question. Please color-code your answer.

One possible answer:

Responsibility is a central theme of short story **"Whose Job Is It?"** The theme is revealed by what the characters fail to do. All of the characters fail to take responsibility for task completion. In the text, it says, "Everybody thought that **Anybody** could do it, but **Nobody** realized that **Everybody** wouldn't do it." This shows that when individuals fail to take responsibility for jobs, and assume others will do it, things do not get done.
