

Graduation Speech – Class of 2015
Saint Xavier High School - May 17, 2015

Graduates:

Welcome to this Day and to the meaning behind the dignity of this ceremony as you join the ranks of Saint Xavier's alumni.

You have been school leaders at an historical time as we concluded the celebration of the school's 150th Anniversary. Reflect for a moment on that history, on those who have gone before you, developing the philosophy, programs and facilities and paving the way for the opportunities you have had and the experiences we have shared. Soon it will be your responsibility to ensure a St. X experience for other students and that such opportunities are there and even better for them.

Then reflect one more time on our theme for the year: ***Together, we dream, we believe and we achieve.*** Those who walked the halls, took the classes and were part of the teams and activities before you continued to dream, developing a vision for what St. X has become and achieving in ways that propelled our school forward. And all along the way, they believed faithfully that God would walk with them and provide even more opportunities to learn, know, love and serve.

You have continued the traditions, stretched the vision and walked together in faith in all that we have asked you to do.
