## **Ascended Master Dictations Letters To A Chela:**

**Ascended Master Dictations** Po Li, Po Li Po, 2001 It is the intention of the author to give a thumbnail sketch of the Ascended Masters and what they have to do with the evolution of man on this planet and beyond It is not within the scope of this book to present all material available upon this subject nor to attempt the entire picture for this there is a great wealth of genuine literature extant on the Ascended Masters and their teaching Included in this book are portions that are directly dictated through the author from various masters Some of these teachings may be identified while others may not It is up to the readers to discern for themselves the authenticity of the offering One who is familiar with the teaching will recognize it I have spent 30 years studying these teachings and have come to know the Masters by their words and vibrations I can only hope that those of you who find these words interesting and useful will pursue the literature I have available a list of writers and writings which I know to be The Genuine Article This you must judge for yourselves You may find those on the web site or by emailing me In writing this book I do not claim to know or discuss the only way to contact the Masters However I do know that these methods work as I have successfully used them There may very well be other methods that work I can only speak from my personal experience and training under the Masters and their representatives in embodiment One statement from El Morya to me was an answer to my surprise at finding them in unexpected places was Do you not know that we are every where and that we work with all teachings and activities to the extent that they will allow us to enter in The Ascended Masters are the Elder Brothers and Sisters on The Path They have long been called too The Great White Brotherhood This title is partially representative of the times in which it was coined There have been many misunderstandings concerning white as racist and brotherhood as male specific This was never intended Perhaps in this day the title Ascended Masters is more gender neutral and more effective in the New World We live in a more balanced masculine and feminine time The name Great White Brotherhood is meant to be neither gender nor race exclusive and has no reference to color race or creed The Ascended Masters have all had physical 3rd dimensional bodies at one or more times in history They are an Order in Hierarchy and occupy seats on the Cosmic Councils with other Cosmic Beings It is our birthright to graduate from earth in the Initiation of the Ascension and take our place among the Ascended Masters Once we have balanced at least 51% of our personal karma completed our personal divine plan contract we are eligible to take Ascension The Author Li Po     **The Ascended Masters on Soul Mates and Twin Flames** Mark L. Prophet, Elizabeth Clare Prophet, 1988     **The Path to Attainment** Mark L. Prophet, Elizabeth Clare Prophet, 2020-11-23 Attainment is the goal of the spiritual path But it is not the power to perform miracles or to control others It is the ability to give and receive energy in harmony This volume of the authors Climb the Highest Mountain series explains important keys to attainment including how to work with the masters of wisdom who can mentor your soul and how to chart and navigate the cycles of positive and negative karma unique to each of us You will explore how each age in humanity's evolution has brought new spiritual revelations and how the world's major

Lewis,Sarah M. Lewis,2009-05-14 Schism from the Greek to split refers to a group that breaks away from another usually larger organisation and forms a new organisation Though the term is typically confined to religious schisms it can be extended to other kinds of breakaway groups Because schisms emerge out of controversies the term has negative connotations Though they are an important component of many analyses schisms in general have not been subjected to systematic analysis This volume provides the first book length study of religious schisms as a general phenomenon Some chapters examine specific case studies while others provide surveys of the history of schisms within larger religious traditions such as Islam and Buddhism Other chapters are more theoretically focused Examples are drawn from a wide variety of different traditions and geographical areas from early Mediterranean Christianity to modern Japanese New Religions and from the Jehovah s Witnesses to Neo Pagans     **Teachings from the Mystery School, the Healing Power of Angels** Elizabeth Clare Prophet,1987     **The Lost Teachings of Jesus** Mark Prophet,Elizabeth Clare Prophet,1986 Reveals that concepts regarded as purely Eastern like karma reincarnation and chakras can be found in the mysteries Jesus taught Tells how you like Jesus can be in close contact with your Divine Source Gives you the tools to transcend life s circumstances and realize more of your higher self every day With inspirational stories of seven saints and mystics and their individual paths to self mastery     *Lost Teachings on Keys to Spiritual Progress* Mark Prophet,Elizabeth Clare Prophet,1988 Gives you the tools to transcend life s circumstances and realize more of your higher self every day With inspirational stories of seven saints and mystics and their individual paths to self mastery
