A History of the Gold Coast and Ashanti, Vol. 2 of 2 W. Walton Claridge, 2017-11-17 Excerpt from A History of the Gold Coast and Ashanti Vol 2 of 2 From the Earliest Times to the Commencement of the Twentieth Century Chap 1 against the Coast at once had it not been for the local troubles that followed the murder of Asamoa Kwanta's nephew These disturbances were no sooner over than plans had been made for another invasion of which Adu Boffo's expedition to Krepí and Atjiempon's march to Elmina had formed a part and it was only the super-vention of unforeseen circumstances that had led to its postponement Adu Boffo had met with a quite unexpected amount of resistance that had involved the loss of half his army and a hundred and thirty six Chiefs besides the expenditure of enormous quantities Of ammunition and the negotiations for

the transfer of the Dutch Possessions to England had led to the removal of Atjiempon and the frustration of his plans to organize a force in the west Thus the ten years that had elapsed since the last war were accounted for and the original cause still remained which considering the evidence 1 there is of the existence of a definite agreement that was then broken must be admitted to be a just casus belli About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

A History of the Gold Coast and Ashanti, Vol. 1 of 2 William Walton Claridge, 2017-12-02 Excerpt from A History of the Gold Coast and Ashanti Vol 1 of 2 From the Earliest Times to the Commencement of the Twentieth Century The records of a Colony the earliest beginnings of which had their inception in the dark days of the slave trade cannot but hold many things that modern Englishmen must recall with mingled shame and horror The reader will find much to deplore in the public and private acts of many of the white men who in their time made history on the Coast and some deeds were done which must for ever remain among the most bitter and humiliating memories of every Britisher who loves his country and is jealous of its fair fame For these Dr Claridge has done well to offer neither palliation nor excuse On the other hand it is at least open to argument that he has occasion ally been somewhat harsh in the verdicts which he passes upon the policy of the Government and upon the actions of its servants The historian is necessarily in the position of one who is wise after the event but the large bird s eye view which he is enabled to take was not at the service of any save very exceptional men among those who were the contemporaries of the events which he records This must be borne in mind for exceptional men are rare at all times and in all places and few indeed found their way to the West Coast of Africa Due allowance therefore must be made for the imperfect appreciation which many public servants showed of the situations with which they were confronted and for the bewildering ignorance of the people with whom they were dealing by which they were so frequently hampered About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
