**Summary of Ashley Bell** Abookaday, 2016-08-20 Warning This is an independent addition to Ashley Bell meant to enhance your experience of the original book If you have not yet bought the original copy make sure to purchase it before buying this unofficial summary from aBookaDay

**INTRODUCTION** Ashley Bell by Dean Koontz is the tale of a vibrant and intriguing young woman who escapes death so that she can save the life of another young girl named Ashley Bell Readers will find themselves quickly immersed in this engaging and exciting tale wondering what is around each new turn of the plot Koontz s tale unfolds through events that take place in both the present and the past straddling the sometimes blurred lines

between dreams and reality exploring the ways the two intersect

**SETTINGS** The events of *Ashley Bell* take place primarily in Newport Beach California and its surrounding areas The majority of the novel's events take place in the present or very recent past while others take place at various points in Bibi Blair's childhood The author indicates the shift between present and past at the start of each pertinent chapter so the reader can easily keep track of time and events There is no mention of specific dates or years in the chronology other than a passing reference to a March day or other such vague suggestions

**STORY PLOT ANALYSIS** *Ashley Bell* follows multiple narrative strands through the course of the novel The primary story line is that of Bibi Blair from just before her cancer diagnosis until the end of the story Most of the events in Bibi's story line occur in the present but some shifts to events in her childhood do occur throughout These shifts usually serve to provide background and explanation for events in the present timeline and are indicated in the chapter headings A second strand and a much less thorough one follows Bibi's fiancé Paxton Thorpe as he executes a mission as a U S Navy SEAL Paxton's storyline ultimately integrates with Bibi's and the two strands remain joined for the rest of the novel The story of Bibi's parents' past is briefly explored in some detail but more as background information rather than a true separate narrative strand
