Asian Honor Overcoming The Culture Of Silence:

Asian Honor: Overcoming the Culture of Silence Sam Louie, 2012-04-24 Many Asians are drowning in shame and addictions with no way out Is this any different from a traditional Westerner Very much so Shame and honor are embedded in the Asian way of thinking behaving and interacting If you do not understand the cultural history of honor and shame and its underpinnings then you will have a hard time understanding the mindset of Asians let alone the stranglehold of shame that keeps many from breaking the code of silence *An Asian Introduction to the New Testament* Johnson Thomaskutty, 2022 As Asia is the cradle of many religions the New Testament writings should be interpreted by accepting its pluriform religious and ideological aspects The existence of multiple Christian denominations also demands balanced interpretation This book demonstrates inclusive biblical claims within multireligious and multid denominational contexts

Reading Romans with Eastern Eyes Brad Vaughn, 2019-06-11 According to Brad Vaughn some traditional East Asian cultural values are closer to those of the first century biblical world than common Western cultural values In this work Vaughn demonstrates how paying attention to East Asian culture provides a helpful lens for interpreting Paul s most complex letter and we see how honor and shame shape so much of Paul s message and mission **The Contextualized Psalms (Punjabi Zabur)** Yousaf Sadiq, 2020-11-09 The metrical translation of the Psalms into the Punjabi language set to indigenous music in the late nineteenth century in India plays a vital role in the personal and communal worship of the global Punjabi Christian community This book is a pioneer work that comprehensively encompasses the cultural socio historical missional and sociolinguistic aspects of the Punjabi Psalter It investigates the unique and fascinating story of the contextualizing of Psalms in an exclusive South Asian Punjabi context and engages in an in depth study on the life and work of Rev Dr Imam ud Din Shahbaz This work determines to bring a deeper appreciation for the Punjabi Psalter by encouraging the Punjabi Christians to not only pass the Psalms on to the next generations but also to grow in loving and valuing their mother tongue the Punjabi language The thrust of this book is to esteem the shared heritage of the global Punjabi Christian community the Psalms in Punjabi commonly known as the Punjabi Zabur **The Blame Business** Stephen Fineman, 2015-03-15 Whenever anything goes wrong our first instinct is often to find someone to blame Blame infuses our society in myriad ways seeding rancor and revenge dividing lovers coworkers communities and nations Yet blame appropriately placed and managed safeguards moral order and legal culpability In this book Stephen Fineman explores this duality inherent in blame taking us on a fascinating journey across blame s sometimes bitter sometimes just landscape Fineman focuses on blame s roots and enduring manifestations from the witch hunts of the past to today s more buttoned up scapegoating and stigmatization from an individual s righteous anger to entire cultures shaped by its power Addressing our era of increasing unease about governance in public and private enterprises he delves behind the scenes of organizations infected with blame profiling the people who keep its plates spinning With a critical eye he examines the vexing issue of public accountability and the political

circus that so often characterizes our politicians and corporations lost in their blame games Ultimately Fineman raises the challenging question of how we might mitigate blame s corrosive effects asking crucial and timely questions about the limits of remorse and forgiveness the role of state apologies for historical wrongdoings whether restorative justice can work and many other topics An absorbing look at something we all know intimately this book deepens our understanding of blame and how it shapes our lives
