War Gothic in Literature and Culture Steffen Hantke, Agnieszka Soltysik Monnet, 2015-12-07 In the context of the current explosion of interest in Gothic literature and popular culture this interdisciplinary collection of essays explores for the first time the rich and long standing relationship between war and the Gothic Critics have described the global Seven Year s War as the crucible from which the Gothic genre emerged in the eighteenth century Since then the

Gothic has been a privileged mode for representing violence and extreme emotions and situations. Covering the period from the American Civil War to the War on Terror, this collection examines how the Gothic has provided writers an indispensable toolbox for narrating, critiquing, and representing real and fictional wars. The book also sheds light on the overlap and complicity between Gothic aesthetics and certain aspects of military experience, including the bodily violation and mental dissolution of combat, the dehumanization of others, psychic numbing, masculinity in crisis, and the subjective experience of trauma and memory. Engaging with popular forms such as young adult literature, gaming, and comic books, as well as literature, film, and visual art, *War Gothic* provides an important and timely overview of war-themed Gothic art and narrative by respected experts in the field of Gothic Studies. This book makes important contributions to the fields of Gothic Literature, War Literature, Popular Culture, American Studies, and Film/Television Media.

Vulnerability and Security in Human Rights Literature and Visual Culture Alexandra Schultheis Moore, 2015-10-23 This book responds to the failures of human rights, the way its institutions and norms reproduce geopolitical imbalances and social exclusions through an analysis of how literary and visual culture can make visible human rights claims that are foreclosed in official discourses. Moore draws on theories of vulnerability, precarity, and dispossession to argue for the necessity of recognizing the embodied and material contexts of human rights subjects. At the same time, she demonstrates how these theories run the risk of reproducing the structural imbalances that lie at the core of critiques of human rights. Pairing conventional human rights genres—legal instruments, human rights reports, reportage, and humanitarian campaigns—with literary and visual culture, Moore develops a transnational feminist reading praxis of five sites of rights and their violation over the past fifty years: UN human rights instruments and child soldiers in Nigerian literature; human rights reporting and novels that address state-sponsored ethnocide in Zimbabwe; the international humanitarian campaigns and disaster capitalism in fiction of Bhopal, India; the work of M. Decins Sans Frontières in the Sahel; Afghanistan, Democratic Republic of Congo, and Burma as represented in various media campaigns; and in photographic narratives and finally the human rights campaigns, fiction, and film that have brought Indonesia's history of anti-leftist violence into contemporary public debate. These case studies underscore how human rights norms are always subject to conditions of imaginative representation and how literature and visual culture participate in that cultural imaginary. Expanding feminist theories of embodied and imposed vulnerability, Moore demonstrates the importance of situating human rights violations not only in the context of neo-liberal development policies but also in relation to the growth of security networks that serve the nation-state, often at the expense of the security of specific subjects and populations. In place of conventional victims and agents, the intersection of vulnerability and human rights opens up readings of human rights claims and suffering that are at once embodied and shareable yet which run the risk of cooptation by security rhetoric.

Ireland and Ecocriticism Eóin Flannery, 2015-10-05 This book is the first truly interdisciplinary intervention into the burgeoning field of Irish ecological criticism. Providing original and nuanced readings of Irish cultural texts and personalities in terms of

contemporary ecological criticism Flannery's readings of Irish literary fiction poetry travel writing non fiction and essay writing are ground breaking in their depth and scope Explorations of figures and texts from Irish cultural and political history including John McGahern Derek Mahon Roger Casement and Tim Robinson among many others enable and invigorate the discipline of Irish cultural studies and international ecocriticism on the whole This book addresses the need to impress the urgency of lateral ecological awareness and responsibility among Irish cultural and political commentators to highlight continuities and disparities between Irish ecological thought writing and praxis and those of differential international writers critics and activists and to establish both the singularity and contiguity of Irish ecological criticism to the wider international field of ecological criticism With the introduction of concepts such as ecocosmopolitanism deep history ethics of proximity Gaia Theory urban ecology and postcolonial environmentalism to Irish cultural studies it takes Irish cultural studies in bracing new directions Flannery furnishes working examples of the necessary interdisciplinarity of ecological criticism and impresses the relevance of the Irish context to the broader debates within international ecological criticism Crucially the volume imports ecological critical paradigms into the field of Irish studies and demonstrates the value of such conceptual dialogue for the future of Irish cultural and political criticism This pioneering intervention exhibits the complexity of different Irish cultural and historical responses to ecological exploitation degradation and social justice

Tropical Gothic in Literature and Culture Justin D. Edwards, Sandra Vasconcelos, 2016-01-13 Tropical Gothic examines Gothic within a specific geographical area of the South of the Americas In so doing we structure the book around geographical coordinates from North to South and move between various national traditions of the gothic Mexico Argentina Brazil etc alongside regional manifestations of the Gothic the US south and the Caribbean as well as transnational movements of the Gothic within the Americas The reflections on national traditions of the Gothic in this volume add to the critical body of literature on specific languages or particular nations such as Scottish Gothic American Gothic Canadian Gothic German Gothic Kiwi Gothic etc This is significant because while the Southern Gothic in the US has been thoroughly explored there is a gap in the critical literature about the Gothic in the larger context of region of the South in the Americas This volume does not pretend to be a comprehensive examination of tropical Gothic in the Americas rather it pinpoints a variety of locations where this form of the Gothic emerges In so doing the transnational interventions of the Gothic in this book read the flows of Gothic forms across borders and geographical regions to tease out the complexities of Gothic cultural production within cultural and linguistic translations Tropical Gothic includes but is by no means limited to a reflection on a region where European colonial powers fought intensively against indigenous populations and against each other for control of land and resources In other cases the vast populations of African slaves were transported endowing these regions with a cultural inheritance that all the nations involved are still trying to comprehend The volume reflects on how these histories influence the Gothic in this region

New Perspectives on Detective Fiction Casey Cothran, Mercy Cannon, 2015-10-14 This collection establishes new

perspectives on the idea of mystery as it is enacted and encoded in the genre of detective fiction Essays reclaim detective fiction as an object of critical inquiry examining the ways it shapes issues of social destabilization moral ambiguity reader complicity intertextuality and metafiction Breaking new ground by moving beyond the critical preoccupation with classification of historical types and generic determinants contributors examine the effect of mystery on literary forms and on readers who experience the provocative complex process of coming to grips with the unknown and the unknowable This volume opens up discussion on publically acclaimed modern works of mystery and on classic pieces addressing a variety of forms including novels plays graphic novels television series films and ipad games Re examining the interpretive potential of a genre that seems easily defined yet has endless permutations the book closely analyzes the cultural function of mystery the way it intervenes in social and political problems as well as the literary properties that give the genre its particular shape The volume treats various texts as meaningful subjects for critical analysis and sheds new light on the interpretive potential for a genre that creates as much ambiguity as it does clarity Scholars of mystery and detective fiction crime fiction genre studies and cultural studies will find this volume invaluable

The Contemporaneity of Modernism Michael

D'Arcy, Mathias Nilges, 2015-10-23 At a juncture in which art and culture are saturated with the forces of commodification this book argues that problems forms and positions that defined modernism are crucially relevant to the condition of contemporary art and culture The volume is attuned to the central concerns of recent scholarship on modernism and contemporary culture the problems of aesthetic autonomy and the specific role of art in preserving a critical standpoint for cultural production the relationship between politics and the category of the aesthetic the problems of temporality and contemporaneity literary transnationalism and the questions of medium and medium specificity Ranging across art forms mediums disciplines and geographical locations essays address the foundational questions that fuse modernism and the contemporary moment What is art What is the relation between art and the economy How do art and technology interpenetrate and transform each other What is modernism's logic of time and contemporaneity and how might it speak to the problem of thinking genuine novelty or the possibility of an alternative to the current stage of neo liberal capitalism What is modernism and what is its history The book is thus committed to revising our understanding of what modernism was in its earlier instantiations and in accounting for the current moment addressing the problems raised by modernism's afterlives and reverberations in the 20th and 21st centuries The volume includes essays that consider literature sociology philosophy visual art music architecture digital culture television and other artistic media It synthesizes the most recent thinking on modernism and contemporary culture and presents a compelling case for what happens to literature art and culture in the wake of the exhaustion of postmodernism This book will be of interest to those studying literature visual art media studies architecture literary theory modernism and twentieth century and contemporary culture more generally

Security and Hospitality in Literature and Culture Jeffrey Clapp, Emily Ridge, 2015-10-05 With contributions from an international

array of scholars this volume opens a dialogue between discourses of security and hospitality in modern and contemporary literature and culture The chapters in the volume span domestic spaces and detention camps the experience of migration and the phenomena of tourism interpersonal exchanges and cross cultural interventions The volume explores the multifarious ways in which subjects citizens communities and states negotiate the mutual and potentially exclusive desires to secure themselves and offer hospitality to others From the individual s telephone and data to the threshold of the family home to the borders of the nation sites of securitization confound hospitality s injunction to openness gifting and refuge In demonstrating an interrelation between ongoing discussions of hospitality and the intensifying attention to security the book engages with a range of literary cultural and geopolitical contexts drawing on work from other disciplines including philosophy political science and sociology Further it defines a new interdisciplinary area of inquiry that resonates with current academic interests in world literature transnationalism and cosmopolitanism

Globalizing Literary Genres Jernej Habjan, Fabienne Imlinger, 2015-10-14 Focused on the relation between processes of globalization and literary genres this volume intervenes in the prevalent notions of globalization literary history genre and the novel Using both close reading and world history both literary criticism and political theory the book is a timely intervention in the debates about world postcolonial and transnational literature as they have been intensified by critical globalization studies world systems analysis Bourdieuan sociology and cosmopolitanism studies It contends that globalization far from starting in recent decades has a long and complex history not unlike the history of literature itself meaning that when we speak of globalization and literature we in effect invoke the entire history of literature Essays examine literary genres in relation to broader historical processes connecting the present state of globalization to such key world historic events as the early modern geographical and scientific explorations the Enlightenment the expansions of modernity in the long nineteenth and twentieth centuries postmodernity and postcoloniality and contemporary counter hegemonic movements The book offers innovative readings of the pastoral from Saint Pierre to Carpentier the novel in Kant and Wieland and in Diderot and Marx travel writing from Verne to Cort zar sports writing in James and Kahn entrelacement in Bola o Ghosh and Soderbergh and also the Mozambican ghost story Indian genre fiction fake autobiographies Sephardic language memoirs the postcolonial Gothic Irish chick lit and counter hegemonic novels Making important theoretical contributions to a renewed discussion about genre especially genres of narrative fiction this volume addresses global studies the history of the novel and debates over periodization and nationalism in literary history

The Top Books of the Year Asian American Literature And The Environment Routledge Interdisciplinary Perspectives On Literature The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Asian American Literature And The Environment Routledge Interdisciplinary Perspectives On Literature : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
