Strong Female Character Fern Brady, 2023-06-06 INTERNATIONAL BESTSELLER Witty, dry, and gimlet-eyed, this is a necessary corrective in a world where autistic women are all either written off as quiet and docile or erased entirely. Devon Price, Ph.D., author of *Unmasking Autism*, Scottish comedian Fern Brady was told she couldn't be autistic because she'd had loads of boyfriends and is good at eye contact. In this frank and surreal memoir, she delivers a sharp and often hilarious portrait of neurodivergence and living unmasked. Finalist for the Porchlight Business Book Award, A Harper's Bazaar Best Book of the Year. After reading about autism in her teens, Fern Brady knew instinctively that she had it. Autism explained her sensory issues, her meltdowns, her inability to pick up on social cues, and she told her doctor as much. But it took until she was thirty-four for her to get diagnosed. *Strong Female Character* is about the years in between and the unique combination of sexism and ableism that so often prevents autistic women from getting diagnosed until adulthood. Coming from a working class Scottish Catholic family,

Fern wasn't exactly poised to receive an open minded acceptance of her neurodivergence With the piercing clarity and wit that has put her at the top of the British comedy scene she now reflects on the ways her undiagnosed autism influenced her youth from the tree that functioned as her childhood best friend to the psychiatric facility where she ended up when neither her parents nor school knew what to do with her In a memoir as hilarious as it is heartbreaking Fern leaves no stone unturned while detailing her futile attempts at employment her increasingly destructive coping mechanisms and the meltdowns that left her mind and apartment in ruins Her chaotic nonlinear journey from stripping to getting arrested to finding a lifeline in comedy to her breakout appearance on the Taskmaster TV show as her full unmasked self is both a remarkable coming of age tale and a dark but poignant tribute to life at the intersection of womanhood and neurodiversity

Strong Female Character is a story of how being female can get in the way of being autistic and how being autistic gets in the way of being the right kind of woman *Pretending to be Normal* Liane Holliday Willey, 2014-09-21 Updated edition of the bestselling story of a woman who after years of self doubt and self denial learned to embrace and appreciate her Asperger's syndrome traits Liane Holliday Willey shares with insight and warmth the daily struggles and challenges that face many of those who have AS and charts her inspirational journey to self acceptance **A Practical Guide to Happiness in Children and Teens on the Autism Spectrum** Victoria Honeybourne, 2017-11-21 Give a young person with autism the tools to grow up healthy and happy with this practical guide to emotional wellbeing Informed by positive psychology also known as the science of happiness and filled with activities this is a refreshing resource for helping young people build lasting foundations for resilience self worth and happiness
