Assessment And Esl An Alternative Approach:

Assessment and ESL Barbara Law, Mary Eckes, 2007-02-19 The revised and expanded edition of this bestseller is a comprehensive easy to read resource that explores the theory and practice of ESL assessment Written for anyone working with English language learners elementary and secondary mainstream and ESL this new edition of Assessment and ESL presents ideas and tools for alternative assessment The authors offer methods of documenting the learning and progress of second language learners learning and progress that may not always be apparent at first glance Like the previous edition the new edition is filled with real stories about students who take baby steps progress in leaps and bounds toward proficiency and eventually learn to fly on their own **ASSESSMENT AND ESL** BARBARA. LAW, 2007 Hands-On English Language Learning: Early Years Jennifer E. Lawson, 2009-09-04 The Hands On English Language Learning program is a resource for classroom teachers specialist teachers working with English language learners and other educational professionals who support these students To assist your students in developing language skills this resource includes specific curricular connections for each lesson to identify links to subject area themes in language arts mathematics science social studies health physical education and the arts integrated class activities to promote learning in context for all students in the classroom suggested activities focus on curricular topics in all subject areas while supporting English language learners relevant topics such as the classroom and school clothing food hobbies and interests plants and animals of Canada the world and the environment age appropriate high interest learning activities that foster the development of essential English language vocabulary and skills in listening speaking reading writing viewing and representing activities in keeping with the philosophy of all Portage Main Press Hands On programs that are student centred and focus on real life hands on experiences access to digital reproducibles Find download instructions in the Appendix of the book **Beyond Methodology** Johanne Myles, 2015-08-01 There is much variability with regard to the type depth and effectiveness of training teachers receive in understanding and meeting the needs of English language learners ELLs in public schools across the country yet the rise in the number of learners has been substantial Although it is important that teachers have knowledge and skills related to instructional methods and approaches for teaching ESL they may also be confronted with policies that disadvantage ELLs such as compulsory standardized testing and unrealistic curriculum demands They may also lack appropriate resources and be faced with learners who have learning disabilities and behavioral issues associated with culture shock The book is designed to present classroom oriented topics that are fundamental to the professional development of pre service novice and veteran teachers working with ELLs Such topics include issues surrounding initial orientation and student placement the acculturation process for ELLs and particular concerns of refugee students challenges involved in making accommodations and curricular modifications as well as determining if ELLs have special needs social and emotional difficulties affecting ELL performance and communicating with parents and bullying behaviors learner advocacy and

transitioning The book may be used as a supplement to a course textbook on second language acquisition and teaching or as the main focus of a course to which other material is added The short case studies provide an opportunity for teachers to engage in dialogue and wrestle with issues and dilemmas that pertain to ELLs in real-life school settings They provide a stimulus that help teachers explore their underlying assumptions about the languages cultures and experiences that their ELLs bring to the school community Acknowledging learners strengths and aspirations prepares all students for success in our global society
