## **Bewilderments Reflections On The Of Numbers:**

**Bewilderments** Avivah Gottlieb Zornberg, 2017-09-05 Through the magnificent literary scholarly and psychological analysis of the text that is her trademark Avivah Gottlieb Zornberg tackles the enduring puzzlement of the book of Numbers What should have been for the Israelites a brief journey from Mount Sinai to the Holy Land becomes a forty year death march Both before and after the devastating report of the Spies the narrative centers on the people's desire to return to slavery in Egypt At its heart are speeches of complaint and lament But in the narrative of the book of Numbers that is found in mystical and Hasidic sources the generation of the wilderness emerges as one of extraordinary spiritual experience fed on miracles and nurtured directly by God a generation of ecstatic faith human partners in an unprecedented conversation with the Deity Drawing on kabbalistic sources the Hasidic commentators depict a people who transcend prudent considerations in order to follow God into the wilderness where their spiritual yearning comes to full expression Is there a way to integrate this narrative of dark murmurings of obsessive fantasies of a return to Egypt with the celebration of a love intoxicated wilderness discourse What effect does the cumulative trauma of slavery the miracles of Exodus and the revelation at Sinai have on a nation that is beginning to speak In *Bewilderments* one of our most admired biblical commentators suggests fascinating answers to these questions Paulist Biblical Commentary, The Aguilar Chiu, José Enrique, Clifford, Richard J. limp For centuries these stories have been told and retold in ways that treat disability as a metaphor for spiritual incapacity or as a challenge to be overcome Through fresh and unexpected readings of the Bible *Loving Our Own Bones* instead paints a luminous portrait of what it means to be disabled and one of God's beloved Belser delves deep into sacred literature braiding the insights of disabled feminist Black and queer thinkers with her own experiences as a queer disabled Jewish feminist She talks back to biblical commentators who traffic in disability stigma and shame What unfolds is a profound gift of disability wisdom a radical act of spiritual imagination that can guide us all toward a powerful reckoning with each other and with our bodies *Loving Our Own Bones* invites readers to claim the power and promise of spiritual dissent and to nourish their own souls through the revolutionary art of radical self love *Turn It and Turn It for Everything Is in It* Jonathan

masterly analysis of the Book of Leviticus the newest volume in the award winning series of commentaries on the Hebrew Bible by a celebrated biblical scholar keen on weaving together traditional Jewish exegesis psychoanalysis and postmodern criticism The New York Times Book Review The image of the Golden Calf haunts the commentaries that thread through Leviticus This catastrophic episode in which the Israelites freed from Egyptian slavery and forty days after their momentous encounter with God at Mount Sinai worship a pagan idol while Moses is receiving the Torah from God on the mountaintop gives the mostly legalistic text a unique depth and resonance According to midrashic tradition the post traumatic effects of the sin of the Golden Calf linger through the generations the sin to be paid off in small increments through time Post biblical perspectives view this as the diffusion of punishment as well as a way of addressing the on going phenomenon of idolatry itself These after effects of the Golden Calf incident are imaginatively explored in Avivah Zornberg's magnificent textual analysis She brings the rabbis of the Talmud medieval commentators Hasidic scholars philosophers psychoanalysts and literary masters from Aristotle and Rashi to the Baal Shem Tov Franz Rosenzweig Sigmund Freud and George Eliot into her pathbreaking discussion of the nature of reward and punishment good and evil Eros and Thanatos and humankind's intricate and ever fascinating encounter with the divine Sanctification David Birnbaum, Benjamin Blech, 2014-01-01 Benjamin
