Completing your Qualitative Dissertation fills an important gap in the qualitative research literature by specifically addressing the fast growing practice of qualitative postgraduate dissertations in colleges and universities throughout the world. Many students struggle to complete qualitative research projects because the research itself is inherently messy. To address this challenge, the authors have distilled decades of experience into a first of its kind highly practical reference for graduate students. At the heart of the book is a series of chapters that models the typical progression of a dissertation. Each chapter is illustrated by examples that give the reader an understanding of what the actual write up would look like. Emphasis throughout the book is on conceptual understanding as it relates to the practical aspects involved in navigating the dissertation process.

BUNDLE: Patton: Qualitative Research & Evaluation Methods 4e + Bloomberg: Completing Your Qualitative Dissertation 2e Michael Quinn Patton, Linda D. Bloomberg, 2014-12-09 This bundle includes Patton Qualitative Research Evaluation Methods 4e and Bloomberg Completing Your Qualitative Dissertation 2e *101 Golden Nuggets for Preparing a Qualitative Dissertation* Linda Dale Bloomberg, 2025-04-08 The 101 nuggets of understanding that comprise this book shed light on the required content of a qualitative dissertation. They help readers navigate through the iterative recursive and often messy dissertation process from its inception to a successful completion right from the planning stage through data collection and analysis all the way to writing up, presenting and publishing. Each nugget is posed in the form of a question as if in conversation with the reader and will hopefully stimulate critical thinking, reflection and dialogue. This book is the place to turn to for quick though not simplified answers to key questions based on the latest developments in the field of qualitative research. It will motivate doctoral students or prospective doctoral students to seek and consult additional relevant texts and resources in order to delve deeper into the many issues involved in preparing for a qualitative dissertation.
