My Journey and Time Alone with God John R. Walden,2015-05-14 My grandfather taught me many things as I sat and listened to him Most importantly I learned that he was a God fearing man I believe that God used my grandfather to instill hardworking values in me as well I miss him greatly and I miss the times I was able to learn from his ways of living As I grew I began to recognize the importance of being still and listening with all my being to him This has perhaps been one thing that God has used in my life to draw me to Him His Holy Word says for us to be still before Him and know that He is God So I was drawn by His Holy Spirit to listen with all my heart to His guidance And as I spent time before Him I learned to recognize the voice of God through His precious Holy Spirit within I could not get enough of His powerful presence so I sat long hours alone before Him and this book is the result In my time alone with God I asked a lot of questions about life and I have come to understand much more than I ever knew God says if you will seek Him you will find Him and if you call on Him He will answer you He will speak to you and through you by His Holy Spirit presence within Gods love is extended to us through His Son Jesus Christ who gave His very life to set us free from the bondages of sin What is a journey to you When you spend time with the Father He will take you on a journey of victory When you truly seek Him with all your heart He will give you His wisdom His knowledge and His understanding As you acknowledge His presence and power throughout life your journey has begun
