Lesson 2: Business Growth and Expansion

Review Questions

Directions: Read each main idea and complete the statements below. Refer to your textbook as you write the answers.

A. Growth Through Reinvestment

Main Idea: A business that earns a profit may use some of its profits to reinvest in—and thereby grow, expand, or improve—the business.

1. Its income _____ shows a business's sales, expenses, and _____ income, or the amount it has as profit after expenses have been deducted.
2. A firm's _____, or cash flow, is its profits after deductions for all expenses, including _____ or wear and tear on capital goods such as machinery.
3. A corporation with a _____ cash flow may give some of that money to its investors in the form of _____.
4. Businesses may take the positive cash flow and _____ by expanding its product line, increasing _____, or upgrading its machinery or technology.

B. Growth Through Mergers

Main Idea: A merger is a combination of two or more business enterprises that join to form a single firm. Efficiencies of scale and diversity are some positive results of mergers.

1. A _____ merger is when two companies that produce the _____ type of product join together to form a single company.
2. A _____ merger is when two companies involved in different steps in _____ and marketing join together.
3. Merged companies enjoy greater economies of _____ as their cost per unit of production _____.

Answers For Guided Activity Growth Expansion

Brinkley, James M. McPherson**

Answers For Guided Activity Growth Expansion:

Activity Theory Perspectives on Technology in Higher Education Murphy, Elizabeth, Rodríguez-Manzanares, María A., 2013-09-30 Activity Theory is a tool that can help make sense of the complex changes taking place in higher education because of the integration of technology Unlike other theories it allows for a focus that includes elements in the social cultural and historical setting in which the technology is used In addition it supports consideration of the practices of individual students and educators as well as practices at the institutional level Activity Theory Perspectives on Technology in Higher Education presents a compelling theory that will be useful for researchers academics policy makers administrators and instructors interested in understanding and controlling the shifts that are occurring in education due to the integration of technology

Economic Growth and Long Cycles Nikolaos Chatzarakis, Persefoni Tsaliki, Lefteris Tsoulfidis, 2024-06-03 Contemporary capitalism is characterized by periods of vigorous economic growth and periods of slow or even negative growth This book draws on the classical political economy approach to consider both economic cycles and economic growth and draw conclusions about the inherent instability of the modern economy The book shows that the work of the old classical economists Smith and Ricardo and Marx is theoretically sound and capable of providing answers to both growth and cycles It also demonstrates the potential and natural integration of growth and cycles in a single model The microeconomic foundation of this model is the labor theory of value which continues with the General Law of Capital Accumulation the Law of the Falling Rate of Profit and the movement of the Industrial Reserve Army of Labour Finally a dynamic model of growth cum cycles is constructed consisting of the evolution and interaction of five key variables namely the rate of profit the propensity to invest in fixed capital technological change the reserve army of labour and the rate of capital devaluation The analysis demonstrates that economic growth and cycles are not disconnected from each other as they have been treated in the literature but rather interdependent aspects of the same evolutionary process of a capitalist economy This book will interest readers in the history of economic thought economic growth and development macroeconomics and political economy

The Department of State Bulletin, 1983 The official monthly record of United States foreign policy *Congressional Record* United States. Congress, 1981 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 Current Policy United States. Department of State, 1982

Current Policy United States. Department of State. Bureau of Public Affairs, 1982 The American Journey Joyce Oldham Appleby, Alan Brinkley, James M. McPherson, 2003 **Impact Investing for a Sustainable Planet** Tammy E. Newmark, Michele A.
