Ascending With Both Feet On The Ground Words To Awaken Your Heart:

Ascending with Both Feet On the Ground Jeff Brown, 2012-01-08 Perhaps the first of its kind *Ascending with both feet on the Ground* is a collection of author Jeff Brown's most inspiring and well loved Facebook quotes, soul bytes, excerpts and aphorisms. In Jeff's hands, Facebook status became a kind of spiritual graffiti, a grass roots opportunity to inspire, support and connect with humanity. With a writing style that is unforgettably heartfelt and original, Jeff calls out to our inner knowing and reminds us of the magnificent life that awaits us. This little treasure book is no generic quotes book. It is an impactful, stirring and enlivening piece of art that will keep you company on the journey home. Exhilarating, compassionate, insightful, these truth soundings will help you to excavate your purpose, befriend your confusion, confront your avoidance, ground your spirituality and open your heart. At its core, *Ascending* reflects the grounded spirituality that threads through all of Jeff's writing, one that celebrates enrealment, a way of being that is inclusive and honoring of all that is human. Nothing and no one gets left out on the path home. Everything, feelings, personal identifications, practical challenges, mystical moments, the dust that falls off our awakening hearts are part of our spirituality. With writing that is simultaneously mystical and practical, this little treasure of a book beautifully reflects the indistinguishable weave between spiritual and emotional life that is becoming deeply important to seekers on the path. Time and again you can turn to its pages to feel supported in your quest for an authentic and integrated life. And at the back of the book are 3 of his most inspiring blogs, including the profound *Apologies to the Divine Feminine* from a warrior in transition, now read and loved by hundreds of thousands of people worldwide. Enjoy.

Love it Forward Jeff Brown, 2014-02-14 In this magical collection of quotes, aphorisms and blogs, author Jeff Brown shares more of his well loved spiritual graffiti with us. Building on the success of his first collection *Ascending with Both Feet on the Ground*, Brown has put together another wondrous book, this time including many of his most profound love and relationship quotes with the reader. With a writing style that is unforgettably unique, he reminds us of the magnificent life that awaits us. With grounded wisdoms that enhearten and elevate, he reminds us that we are never alone in this beautifully relational human dance. We become the love we have received and we love it forward to those we touch. In an era when readers often have little time to read entire books, this brilliantly heart articulated collection will immediately engage their interest. And as an added bonus, he has included some of his most inspiring blogs in the collection, including *You are Sacred Purpose*, *Apologies to my sweet body* and inspirations he wrote for ABC's *Good Morning America*. Endorsed by best selling authors Caroline Myss and Andrew Harvey, *Love It Forward* is a fantastic gift book and companion for anyone seeking support on their quest for a more authentic and meaningful life.
