

The background of the entire image is a photograph of a dirt path that curves through a wooded area. The path is light brown and appears to be made of packed earth or dry leaves. On either side of the path, there are various trees and bushes. Some trees have dark, bare branches, while others have green foliage. The lighting suggests a bright day, with sunlight filtering through the trees. The overall scene is a natural, outdoor setting.

The Ascent of Man

Ascent Man Mathilde Blind:

The Ascent of Man Mathilde Blind, 2015-07-16 The Ascent of Man by Mathilde Blind The Ascent of Man Mathilde Blind, 1899 **Mathilde Blind: Selected Fin-de-Siècle Poetry and Prose** James Diedrick, 2021-11-12 Mathilde Blind's contributions to the New Woman and Decadent movements in the 1880s and 1890s placed her at the centre of fin de siècle literary culture. She rose to prominence in the early 1870s both as an expert on and proponent of the poetry of Percy Bysshe Shelley and as one of the few women writers published in the *Dark Blue* 1871-73, an influential journal that featured the work of Britain's leading Pre-Raphaelites and aesthetes. By the late 1880s she had established close associations with key figures of England's emergent Decadent communities from Vernon Lee and Rosamund Marriott Watson to Oscar Wilde and Arthur Symonds. When her *Dramas in Miniature* appeared in 1891, she was fusing aestheticism and Decadence so distinctively in her poetry that Symonds evoked Charles Baudelaire in calling the dramatic monologues in the volume 'flowers of evil'. Her career thus highlights the connections between mid-Victorian aestheticism and late-century Decadence. It also serves as an important corrective to the male-focused narratives that long dominated accounts of these movements. In addition, because Blind was born in Germany of Jewish parents and part of a community of exiled European radicals, her poetry and prose alike are characterized by a transnational cosmopolitan outlook that ranges across national borders and consistently engages with Continental writers and ideas. This new edition for the first time brings together the three major volumes of poetry Blind published between 1889 and 1895 alongside a critical introduction and explanatory notes. Because she was also an active reviewer and essayist throughout her career, it includes a selection of her reviews as well as her essay 'Shelley's View of Nature Contrasted with Darwin's', which serves as an important supplement to her 1889 volume *The Ascent of Man*. The edition also features a selection of critical responses to Blind's writing by leading late-Victorian poets and critics.

Eleanor Marx (1855-1898) John Stokes, 2017-05-15 Karl Marx's youngest daughter Eleanor 1855-98 is one of the most significant figures in the cultural politics of the late nineteenth century. As a feminist and radical socialist, she never flinched from confrontation as an aspiring actress, working journalist, and literary translator. She advanced contemporary understanding of Flaubert, Ibsen, and Shakespeare. This collection of newly commissioned essays helps to establish the full extent of her outstanding achievements. Edinburgh Companion to Fin de Siècle Literature, Culture and the Arts Josephine M. Guy, 2017-10-23 The late nineteenth-century fin de siècle has proved an enduringly fascinating moment in literary and cultural history. It is associated with the emergence of intriguing figures such as the New Woman and Uranian, with contradictory impulses of decadence and decay on the one hand and of experiment and renewal on the other, as well as with unprecedented intercultural exchange, especially between Britain and France. The 22 newly commissioned essays collected here re-examine some of the key concepts taken to define the fin de siècle while also introducing hitherto overlooked cultural phenomena into the frame, such as the importance of humanitarianism. The impact of recent research in material culture is

explored particularly how the history of the book and the history of performance culture is changing our understanding of this period A wide range of cultural activities is discussed from participation in avant garde theatre to interior decoration and from the writing of poetry to political and religious activism Together the essays provide new scholarly insights into British fin de siècle and enrich our understanding of this complex period while paying particular attention to the importance of regionalism

Library of the World's Best Literature, Ancient and Modern: A-Z Charles Dudley Warner,1902

George Eliot Harold Bloom,2009 Presents a selection of important older literary criticism of selected works by George Eliot

The Fin-de-siècle Poem Joseph Bristow,2005 Featuring innovative research by emergent and established scholars The Fin de Siecle Poem throws new light on the remarkable diversity of poetry produced at the close of the nineteenth century in England Opening with a detailed preface that shows why literary historians have frequently underrated fin de siècle poetry the collection explains how a strikingly rich body of lyrical and narrative poems anticipated many of the developments traditionally attributed to Modernism Each chapter in turn provides insights into the ways in which late nineteenth century poets represented their experiences of the city their attitudes toward sexuality their responses to empire and their interest in religious belief The eleven essays presented by editor Joseph Bristow pay renewed attention to the achievements of such legendary writers as Oscar Wilde John Davidson Ernest Dowson Lionel Johnson and W B Yeats whose careers have always been associated with the 1890s This book also explores the lesser known but equally significant advances made by notable women poets including Michael Field Amy Levy Charlotte Mew Alice Meynell A Mary F Robinson and Graham R Tomson The Fin de Siecle Poem brings together innovative research on poetry that has been typecast as the attenuated Victorianism that was rejected by Modernism The contributors underscore the remarkable innovations made in English poetry of the 1880s and 1890s and show how woman poets stood shoulder to shoulder with their better known male contemporaries Joseph Bristow is professor of English at the University of California Los Angeles where he edits the journal Nineteenth Century Literature His recent books include The Cambridge Companion to Victorian Poetry Oscar Wilde Contextual Conditions and the variorum edition of Oscar Wilde's The Picture of Dorian Gray

Approaching Apocalypse Kevin Mills,2007 Written for scholars and students at both the graduate and undergraduate levels with an interest in modern literary studies this book will also appeal to anyone interested in the Victorian era biblical studies the history of ideas literature and myth and theology

BOOK JACKET

The Cambridge Companion to Victorian Women's Poetry Linda K. Hughes,2019-03-14 Inclusive cutting edge essay collection by leading scholars on Victorian women poets and their diverse poetic forms and identities
