Ask Bishop Scott J. Jones, Arthur D. Jones, 2015-09-01 We live in a skeptical age People especially young people express doubts about Christian faith In this thoughtful eight week study Bishop Scott Jones author of The Wesleyan Way partners with his son Rev Arthur Jones to address hard questions that all of us face when considering faith religion and the church The questions include Can only one religion be true Why is there suffering and evil How can I believe in science and creation How can I believe in a God I can't prove Can I trust the Old Testament Are marriage sex and family life religious issues Was Jesus resurrection real Why do Christians disagree about so many things The message is strong and clear Don't let your questions stop you from accepting God's invitation to faith Engage your doubt and you may find you are closer to God on the other side

Scripture and the Wesleyan Way Leader Guide Arthur D. Jones, Bishop Scott J. THE YOUNG CHRISTIAN'S SURVIVAL GUIDE Donald T. Williams, 2019-07-19 Some of the questions asked and answered in THE YOUNG CHRISTIAN'S SURVIVAL GUIDE are You claim the Bible is inspired because it says it is right 2 Tim 3:16 Isn't that circular reasoning You claim the Bible was inspired but there was no inspired list of which books that is true of So how can we know which ones to trust With so many different copies of manuscripts that have 400 000 variants errors how can we even know what the Bible says Why can't the people who wrote the four Gospels get their story straight Didn't the Council of Nicaea just arbitrarily pick the books for the Bible that they agreed with and suppress all the rest with political power People used to believe in miracles because they didn't understand science Don't we know better than that now That a man rose from the dead takes a lot of believing How could you ever have enough evidence for a belief like that Science has proved that

human beings evolved over millions of years rather than being created in six days Why are you still clinging to ancient myths Just because the Bible is true for you why does that make it true for me How can you base your modern life on a book that was written for a primitive culture Doesn't the Bible support genocide Doesn't the Bible support racism Doesn't the Bible support slavery Doesn't the Bible support homophobia Doesn't the Bible support the oppression and abuse of women There are so many religions all sincerely seeking the same goal What makes you Christians so arrogant that you think yours is the only way What about those who have never heard the Gospel If God is a God of love why did he let my loved one die How can it be just for God to impose an infinite punishment Hell forever for finite sins These questions will be asked and answered with reasonable rational Scriptural answers Scripture and the Wesleyan Way Arthur D. Jones, Bishop Scott J.

Jones, 2016-11-15 Jones argues that several unique factors remain available to The United Methodist Church today from the period of rapid growth between 1800 and 1840 Drawing on the image of Loren Mead's *Once and Future Church* and Moises Naim's analysis in *The End of Power* Jones argues that a viable future for United Methodism is to recapture the dynamism of being a movement with many of the characteristics of early 19th century Methodism coming to the fore It will draw on three key works about Methodism in the first half of the 19th century Nathan Hatch's *Democratization of American Christianity* John Wigger's *Taking Heaven by Storm* and Gregory Schneider's *The Way of the Cross Leads Home* The book talks about how the Wesleyan form of church contains important resources for the future of Christianity It focuses on the United States and the first half is broadly applicable to all denominations in the Wesleyan tradition The last half of the book discusses obstacles that are currently preventing the United Methodist Church from achieving its potential It closes with a hopeful

vision of what a renewed United Methodism might look like *Religious Education Bibliography* United States. Office of Education,1932 Pamphlet, No. 1- United States.
