Assemblies Of God Doctrine:

Aspects of Assemblies of God Origins Daniel D. Isgrigg, 2024-08-27 With the Assemblies of God now over a century old this book takes a fresh look at critical issues in the AG's origins. While not a comprehensive retelling, this book is a series of essays that explore different historiographical issues that will clarify or correct historical narratives with new research. Topics include re-examining the early relationship with the Church of God in Christ, assessing the AG's evangelical identity and attitudes toward theology and education. Some three decades since the last AG history, this volume will shed new light on these important theological and cultural issues to better understand its roots. Perhaps these conversations will help the AG better understand its history as the fellowship approaches the problems it faces today. **The Assemblies of God at the Crossroads** Margaret M. Poloma, 1989 **Religious Bodies, 1936: pt. 1. Denominations, A to J : statistics, history, doctrine, organization, and work** United States. Bureau of the Census, 1941 *Standard of Christian Doctrine and Practice* Assemblies of God, 1960 **Norming the Abnormal** Aaron T. Friesen, 2013-02-19 Pentecostalism is one of the largest and fastest growing religious movements around the world. Yet the movement's defining doctrine has met with controversy and criticism since its inception. Classical Pentecostals have not only affirmed and valued the experience of speaking in other tongues; they have argued that such an experience is the first evidence of a Christian having reached a level of spiritual empowerment they call Baptism in the Holy Spirit. That speaking in an unknown language should be considered by many Pentecostals to be a normative and uniform right of passage for all Christians is interesting. That such a controversial doctrine could rise to take such a prominent role in defining and shaping the Pentecostal movement begs further historical and social study. This work charts the development of the doctrine from a small community in the Midwest to become a norm for Pentecostal identity and a hallmark of Pentecostal experience around the world. Then, through an empirical study of ministers in three Pentecostal denominations, the work explores the current beliefs and practices of Pentecostals regarding the doctrine of initial evidence in order to form some conclusions and proposals about the future of the doctrine among classical Pentecostals. **A Historical Definition of the Assemblies of God Doctrine on Divine Healing as Promulgated During the Interval 1930-1945** David Wellman, 1961 **Religious Bodies, 1936: Summary and detailed tables** United States. Bureau of the Census, 1941 **Money Doctrines - Traditional versus Word of Faith Teaching** Kieran James, Christopher Tolliday, 2017-12-09 There has been a significant volume of scholarly work conducted recently within the accounting literature on the role of money investment and accounting within religious organizations. However, scant attention has been paid to modern Pentecostal understandings of money investment and accounting. In this book, we study the major money-related doctrines of American husband and wife televangelist Faith Teachers Kenneth and Gloria Copeland. We find the unique Copeland interpretation of Treasures in Heaven (Matthew 6:20) to be a complete inversion of the traditional or Anglican theological interpretation. While the traditional interpretation is that this verse refers to future

rewards available after death the Copelands argue that it refers to rewards existing now in the heavenly places in what they refer to as the believer s heavenly bank account The Copelands also believe in a literal hundredfold return on monetary and other gifts made for the gospel s sake Mark 10 29 30

The Ultimate Evidence Larry Vern Newman, 2009-01-01 It is quite an assertion to claim that one is filled with the Spirit of God What does a person offer as proof that this is actually true Pentecostals at the turn of the twentieth century read the Bible debated the issue and then proposed an evidence they thought the scriptures indicated was the primary verification of Spirit baptism It was determined that the evidence to prove one had been baptized with the Holy Spirit was that the person had spoken in an unknown language as prompted by the Holy Spirit The primary evidence of Spirit baptism it was concluded was the expression of a charism It was charismatic In The Ultimate Evidence Larry Newman argues that the initial evidence doctrine as it stands is inadequate and needs to be revisited and adjusted Without discrediting or devaluing speaking in tongues Newman points the reader to the ultimate evidence of Spirit baptism the more excellent way Gathering from historical cultural and biblical sources Dr Newman argues that the biblical evidential paradigm is ethical and issues forth from the agape of the Cross It is the ethical dimension of the Christian life that is primary In 1 Cor 13 1 Paul wrote If I speak in the tongues of men and of angels but have not love I am only a resounding gong or a clanging cymbal

Exploring Ordinary Theology Leslie J. Francis, 2016-04-15 Ordinary theology characterizes the reflective God talk of the great majority of churchgoers and others who remain largely untouched by the assumptions concepts and arguments that academic theology takes for granted Jeff Astley coined the phrase in his innovative study Ordinary Theology Looking Listening and Learning in Theology arguing that speaking statistically ordinary theology is the theology of God s Church A number of scholars have responded to this and related conceptualizations exploring their theological implications Other researchers have adopted the perspective in examining a range of Church practices and contexts of Christian discipleship using the tools of empirical study Ordinary theology research has proved to be key in uncovering people s everyday lay theology or ordinary dogmatics Exploring Ordinary Theology presents fresh contributions from a wide range of authors who address the theological empirical and practical dimensions of this central feature of ordinary Christian existence and the life of the Church

Getting the books **Assemblies Of God Doctrine** now is not type of challenging means.
