Assessment Of Development Results Jamaica:

Assessment of Development Results ,2010 *Evaluation of UNDP Contribution to Strengthening Local Governance*
United Nations Development Programme. Evaluation Office,2010 Strengthening local governance with a view to promoting democratic representation establishing entitlements and improving the provision of goods and services can play a critical role in human development The evaluation concludes that UNDP has not fully capitalized on its comparative advantage in strengthening local governance and suggests that in part this relates to the absence within UNDP of a common understanding of and sufficient corporate guidance on strengthening local governance While there are numerous examples of support to local governance that have been innovative and effective other initiatives have had limited impact and some have tended to be ad hoc and isolated rather than systematic and strategic For UNDP to play a more effective role in strengthening local governance reforms the evaluation recommends that it should more explicitly and effectively mainstream local governance into all programmatic focus areas by developing a coherent framework that is firmly grounded in the practice of human development The evaluation also recommends that UNDP should strengthen its partnerships with its associated funds and programmes in order to enhance the effectiveness of its initiatives in local governance Publishers website GEF Country Portfolio Study Jamaica (1994-2010) , Development Results in Middle-income Countries ,2007-01-01 The World Bank s support in fostering growth and reducing poverty has contributed to the considerable economic success of MIC countries But to produce greater development benefits it has to become more agile and draw upon MICs own capacity much more systematically connecting such capabilities to help low income countries and to tackle global challenges The Bank s work has to more clearly demonstrate best practice to deliver impact beyond its limited direct role

Evaluation of UNDP Contribution to Strengthening National Capacities United Nations Development Programme. Evaluation Office,2010 As countries take ownership of the development agenda enhancing sustained abilities for countries to do things for themselves takes centre stage as a critical element of development effectiveness UNDP s support to this nationally driven process plays a critical role in enhancing its leadership role in capacity development For UNDP capacity development is the how of what it does and UNDP has put in extraordinary resources in its conceptualization and activities UNDP has received international recognition for its lead role in the area The model applied by UNDP is however largely a supply driven model which is not bolstered by adequate organizational learning and incentive systems The evaluation recommends that UNDP continue to enhance its lead role at the international level while developing and applying a model which is nationally driven and seek to develop increased conceptual and managerial integration within the organization consistent with the objectives of the strategic plan Of particular importance is rigor in engaging governments in all contexts in addressing the longer term requirements of capacity development Publisher s website **Evaluation of UNDP Contribution to Strengthening Electoral Systems and Processes** United Nations Development Programme. Evaluation

Office,2012 This evaluation examines UNDP role and contribution to the attainment of electoral results It seeks to determine the quality and added value of UNDP performance in strengthening electoral systems and processes It also assesses how well UNDP positioned itself to address growing and changing demands for electoral support and to address the challenges and opportunities to enhance the goals of democratic governance via strengthening electoral processes The evaluation covers UNDP work on electoral assistance between 1990 and 2011 with a main focus on the past ten years when UNDP provided electoral assistance in 83 countries with a budget of approximately USD 2.9 billion It concludes with a set of policy relevant and forward looking recommendations The evaluation will support UNDP's future work by contributing to an understanding of how UNDP can provide assistance in a more effective and sustainable manner **GEF Annual Country Portfolio**
