Asset Building Community Development 2002 Publication:

Asset Building & Community Development Gary Paul Green, Anna Haines, 2015-04-01 A comprehensive approach focused on sustainable change Asset Building and Community Development Fourth Edition examines the promise and limits of community development by showing students and practitioners how asset based developments can improve the sustainability and quality of life Authors Gary Paul Green and Anna Haines provide an engaging thought provoking and comprehensive approach to asset building by focusing on the role of different forms of community capital in the development process Updated throughout this edition explores how communities are building on their key assets physical human social financial environmental political and cultural capital to generate positive change With a focus on community outcomes the authors illustrate how development controlled by community based organizations provides a better match between assets and the needs of the community

An Introduction to Community Development , Promoting Healthy Human Relationships in Post-Apartheid South Africa Ndangwa Noyoo, 2020-10-11 This is the first book that examines healthy human relationships in post apartheid South Africa In contemporary South Africa human relationships are under considerable threat Despite the 1994 commitment to an inclusive and human rights based democracy human relationships remain strained Bearing in mind South Africa s tortuous and divisive past this book brings to light many issues prospects and challenges with regard to the promotion of healthy human relationships after apartheid ended Social work and social development perspectives are central to the issues that are raised in this volume The profession of social work has always championed the centrality of human relationships being less interested in the internal functioning of people and more interested in their interpersonal functioning within broader structures and forces including social justice building people s strengths and capabilities anti discrimination diversity and empowerment This edited book is based on select papers presented at a social work conference in 2019 that was co hosted by the Department of Social Development at the University of Cape Town and the Association of South African Social Work Education Institutions In the chapters the contributors offer some solutions to the ubiquitous societal ills that emanate from either corrosive or broken human relationships Resurgent racism in post apartheid South Africa and the need to promote healthy human relationships Promoting healthy human relationships with sub Saharan African immigrants and South Africans Promoting family and human relationships in a traumatised society Social policy social welfare social security and legislation in promoting healthy human relationships in post apartheid South Africa Social protection as a tool to promote healthy human relationships in South Africa Promoting Healthy Human Relationships in Post Apartheid South Africa is an essential resource for an international audience of scholars policy makers and social work and social development practitioners legislators and students

Rural Communities Cornelia Butler Flora, 2018-03-05 Communities in rural America are a complex mixture of peoples and cultures ranging from miners who have been laid off in West Virginia to Laotian immigrants relocating in Kansas to work at a beef processing plant to

entrepreneurs drawing up plans for a world class ski resort in California's Sierra Nevada Rural Communities Legacy and Change uses its unique Community Capitals framework to examine how America's diverse rural communities use their various capitals natural cultural human social political financial and built to address the modern challenges that face them Each chapter opens with a case study of a community facing a particular challenge and is followed by a comprehensive discussion of sociological concepts to be applied to understanding the case This narrative topical approach makes the book accessible and engaging for undergraduate students while its integrative approach provides them with a framework for understanding rural society based on the concepts and explanations of social science This fifth edition is updated throughout with 2013 census data and features new and expanded coverage of health and health care food systems and alternatives the effects of neoliberalism and globalization on rural communities as well as an expanded resource and activity section at the end of each chapter

An Introduction to Community Development Rhonda Phillips, Robert Pittman, 2014-11-26 Beginning with the foundations of community development *An Introduction to Community Development* offers a comprehensive and practical approach to planning for communities Road tested in the authors own teaching and through the training they provide for practicing planners it enables students to begin making connections between academic study and practical know how from both private and public sector contexts *An Introduction to Community Development* shows how planners can utilize local economic interests and integrate finance and marketing considerations into their strategy Most importantly the book is strongly focused on outcomes encouraging students to ask what is best practice when it comes to planning for communities and how do we accurately measure the results of planning practice This newly revised and updated edition includes increased coverage of sustainability issues discussion of localism and its relation to community development quality of life community well being and public health considerations and content on local food systems Each chapter provides a range of reading materials for the student supplemented with text boxes a chapter outline keywords and reference lists and new skills based exercises at the end of each chapter to help students turn their learning into action making this the most user friendly text for community development now available

An Asset-Based Community Development Approach to Skills-Banking and Capacity-Building in Toberona, Dundalk, 2009

Creative Strategies for Conflict Management & Community Building Christian Ndubueze Anyanwu, 2009-11 This book in applying the asset mapping theory of Kretzmann and McKnight 1993 developed a positive communication strategy for minimizing conflicts and building a more Collaborative Communities in Organizations and Churches with much emphasis on inclusivity consensus and commitment to common vision and ideals While critically reviewing the traditional conflict theories in their approaches to conflict management the book uses the new lens provided by the asset mapping theory to recommend for a paradigm shift in the way people look at organizations and conflicts A new emphasis therefore is on the positive elements in organizations the assets that lie within individuals and groups as the key to minimizing conflict in organizations Besides unlike the traditional

conflict theories which sees conflict as a problem this new lens sees conflict within organizations as functional and opportunities for growth The book equally identifies some of the significant factors that cause ethnic conflicts within organizations such as Prejudices among Ethnic Groups Differences of Ethnic Groups Power Struggle among Ethnic Groups Discrimination and Injustice against Groups Lack of Participatory Communication and Lack of Participatory Leadership Finally in reviewing the relevant literatures on Community Building the book underlines the various variables that make Community Building possible Such variables include Discovering and Mobilizing the Assets of Individuals and Groups within Organizations Building Relationships among Individuals and Groups within Organizations Building a more Participatory Leadership within Organizations Building a more Participatory Communication within Organizations Creating more Awareness on the necessity of Collaborative Initiatives as well as Promoting the Common Cultural Values and Ideals that holds Individuals and Groups together within Organization

From microscope to kaleidoscope, 2008-01-01 What new understandings concerning children and significant others in their life worlds have become apparent because of the HIV AIDS pandemic This innovative book argues that new insights on education and psychosocial aspects surface when research in the realm of HIV AIDS is viewed through a positive psychology lens By converging in depth exploration and description the book pinpoints vital persons supporting children s wellbeing and posits changed roles due to pandemic related stressors The significance of different education role players children teachers caregivers community members is addressed in separate chapters using pioneering theory and empirical data that are integrated with dynamic case examples visual data and narratives Ebers hn s edited book emphasises supportive persons and networks as buffers children access to mediate their coping when confronted by HIV AIDS related stressors Throughout the links between psychosocial support changed roles and responsibilities and resilience in the advent of adversity are clearly and thoughtfully demonstrated A concluding chapter questions why and what happens to children s wellbeing when society fails to provide supportive networks and services

Transforming Society Ngoh Tiong Tan, 2017-07-06 Social change affects all quarters of life and human society whether in individual neighbourhoods communities or nations or in the world as a whole encompassing many issues of gender age social class and ethnicity This book examines both the conceptual as well as operational aspects of social transformation and social development It examines societal transformation at the individual group community national and international levels using a range of case studies from Singapore Asia and around the world The four parts of this book highlight the challenges of social development issues concerning workforce and migration welfare women and social care as well as community development and capacity building Social development and social transformation are presented as intertwined concepts that affect citizens in profound ways from social care to social well being construction of social relationship as well as community life capacity building and nation building

The Community Food Forest Handbook Catherine Bukowski, John Munsell, 2018 Collaboration and leadership strategies for long term success Fueled by the popularity of permaculture and agroecology

community food forests are capturing the imaginations of people in neighborhoods towns and cities across the United States Along with community gardens and farmers markets community food forests are an avenue toward creating access to nutritious food and promoting environmental sustainability where we live Interest in installing them in public spaces is on the rise People are the most vital component of community food forests but while we know more than ever about how to design food forests the ways in which to best organize and lead groups of people involved with these projects has received relatively little attention In The Community Food Forest Handbook Catherine Bukowski and John Munsell dive into the civic aspects of community food forests drawing on observations group meetings and interviews at over 20 projects across the country and their own experience creating and managing a food forest They combine the stories and strategies gathered during their research with concepts of community development and project management to outline steps for creating lasting public food forests that positively impact communities Rather than rehash food forest design which classic books such as Forest Gardening and Edible Forest Gardens address in great detail The Community Food Forest Handbook uses systems thinking and draws on social change theory to focus on how to work with diverse groups of people when conceiving of designing and implementing a community food forest To find practical ground the authors use management phases to highlight the ebb and flow of community capitals from a project s inception to its completion They also explore examples of positive feedbacks that are often unexpected but offer avenues for enhancing the success of a community food forest The Community Food Forest Handbook provides readers with helpful ideas for building and sustaining momentum working with diverse public and private stakeholders integrating assorted civic interests and visions within one project creating safe and attractive sites navigating community policies positively affecting public perception and managing site evolution and adaptation Its concepts and examples showcase the complexities of community food forests highlighting the human resilience of those who learn and experience what is possible when they collaborate on a shared vision for their community
