The Routledge Handbook of Male Sex Work, Culture, and Society John Scott, Christian Grov, Victor Minichiello, 2021-03-20 Panoramic and provocative in its scope this handbook is the definitive guide to contemporary issues associated with male sex work and a must read for those who study masculinities male sexuality sexual health and sexual cultures This groundbreaking volume will have a powerful impact on our understanding of this challenging elusive subject While the internet has brought the previously hidden worlds of male sex work more starkly into public view academic research has often remained locked into descriptions of male sex workers and their clients as perverse Drawing from a variety of regions the chapters provide insights into the historical popular cultural social and economic aspects of sex work as well as demographic patterns health outcomes and policy issues This approach shifts thought on male sex work from a hidden social problem to a publicly acknowledged social phenomenon The book challenges myths and reconceptualizes male sex work as a discrete field Importantly it provides a vehicle for the voices of male sex workers and new and established scholars This richly detailed humane and innovative collection retrieves male sex work from silence and invisibility on the one hand and its association with scandal and stigma on the other The findings within have profound implications for how governments approach public health and regulation of the sex industry and for how society can make sense of the complexities of human sexualities A compelling scholarly read and a major contribution to a commercial sector that is often neglected in policy debates on sex work this handbook will be of great interest to scholars of criminology sociology gender

studies and cultural studies and all those interested in male sex work *Queering Sexualities in Turkey* Cenk Özbay, 2017-05-25 Despite its some of its more liberal and democratic characteristics when compared to many other countries in the Middle East the more conservative elements within Turkish politics and society have made gains over the past decades As a result like many others in the region Turkish society has multiple standards when naming evaluating and reacting to men who have sex with men Cenk Özbay argues that overall self identified gay men as well as men who practice clandestine same sex acts are most of the time marginalised ostracised and rendered immoral in both everyday practices and social institutions He offers in this book an analysis of the concept of masculinity as central to redefining boundaries of class gender and sexuality particularly looking at the dynamics between self identified gay men and straight acting male prostitutes or rent boys A result of in depth interviews with both self identified gay men and rent boys Özbay explores the changing discourses and meaning of class gender and queer sexualities and how these three are embedded within urban and familial narratives **Encyclopedia of Prostitution and Sex Work** Melissa Hope Ditmore, 2006-08-30 The cliché is that prostitution is the oldest profession Isn't it time that the subject received a full reference treatment This major 2 volume set is the first to treat in an inclusive reference what is usually considered a societal failing and the underside of sexuality and economic survival The A to Z encyclopedia offers wide ranging entries related to prostitution and the sex industry past and present both worldwide mostly in the West and in the United States The topic of prostitution has high interest appeal across disciplines and the narrative entries illuminate literature art law medicine economics politics women's studies religion sociology sexuality film popular culture public health nonfiction American and world history business gender media education crime race technology performing arts family social work social mores pornography the military tourism child labor and more It is targeted to the general reader who will gain useful insight into the human race through time via its sex industry and prostitution An introduction overviews the scope of prostitution from the earliest historical records including the Bible User friendly lists that are alphabetically and topically arranged help the reader find entries of interest as does the comprehensive index A chronology proffers significant dates related to the topic Each entry is signed and has suggestions for further reading Sample entries Abolition Actresses Augustine Saint Barr Candy Bible Camp Followers Chamberlain Kahn Bill of 1918 Child Prostitution Clothing Contagious Diseases Acts of 1864 1866 and 1869 Crime Debby Doesn't Do It for Free Dickens Charles Devadasi Entrapment Fallen Woman Trope Feminism Films Cult Five Points Free Love Geisha Globalization Guidebooks Hip Hop HIV AIDS and the Prostitution Rights Movement Human Rights Incest Internet Jack the Ripper Kama Sutra League of Nations Lulu Male Stripping Mann Act Mayhew Henry Memoirs Migration and Mobility Nazi Germany Poetry Purity Movements R Religion Salvation Army Scapegoating Slang Storyville Temporary Marriage Unions Venice Window Prostitution **We Were Feminists Once** Andi Zeisler, 2016-05-03 Draws on stories from institutions and everyday women to discuss how feminism has been compromised by popular culture politics and market forces with strategies for

reversing such trends **Touching Encounters** Kevin Walby, 2012-09-15 Often depicted as deviant or pathological by public health researchers psychoanalysts and sexologists male with male sex and sex work is in fact an increasingly mainstream pursuit Based on a qualitative investigation of the practices involved in male with male or m4m Internet escorting *Touching Encounters* is the first book to explicitly address how masculinity and sexuality shape male commercial sex in this era of Internet communications By looking closely at the sex and work of male escorts Kevin Walby tries to reconcile the two extremes of m4m sex the stereotypical idea of a quick cash transaction and the tendency toward friendship and mutuality In doing so Walby draws on the work of Foucault to make visible the play of power in these physical and commercial relations between men At once a revelation to the sociology of work and a much needed critical engagement with queer theory *Touching Encounters* responds to calls from across the social sciences to connect Foucault with sociologies of sex sexuality and intimacy Walby does this and more retying this sexual practice back to society at large *Maximum Rocknroll* , 2000-08 **Queer Latino Testimonio, Keith Haring, and Juanito Xtravaganza** A. Cruz-Malavé, 2007-10-02 In the tradition of the Latin American testimonio this is the story of Juan Rivera a k a Juanito Xtravaganza a Latino runaway youth who ends up homeless in the streets of New York in the late 70s and becomes partner of the internationally famous 1980s Pop artist Keith Haring during some of the most frenetically productive years of his brief life as told to the author and retold by him A hybrid text part testimonio part linguistic and cultural analysis and part art criticism this is also a history of New York Latino neighborhoods during this period of devastating disinvestment and gentrification as well as a personal heart felt meditation on the art of listening and the ethical limits of representing queer Latino lives Addicted Lorna Crozier, Patrick Lane, 2009-12-01 Is addiction a disease a sin a sign of hypersensitivity a personal failing or a unique resource for the creative mind However it is defined addiction can have devastating consequences often shattering lives sundering families causing impoverishment and even triggering suicide Yet it can also be a source of inspiration In these frank essays leading American and Canadian writers explore their surprisingly diverse personal experiences with this complex phenomenon candidly recounting what happened when alcohol heroin smoking food gambling or sex sometimes in combination took over their lives
