Judd E. Hollander

Beyond Duty Life On The Frontline In Iraq:

Beyond Duty Shannon Meehan, 2009-09-15 Under the blazing Iraqi sun in the summer of 2007 Shannon Meehan a lieutenant in the U S Army ordered a strike that would take the lives of innocent Iraqi civilians He thought he was doing the right thing He thought he was protecting his men He thought that he would only kill the enemy but in the ruins of the strike he discovers his mistake and uncovers a tragedy This is the true story of one soldier s attempt to reconcile what he has done with what he felt he had to do Stark and devastating it recounts first hand the reality of a new type of warfare that remains largely unspoken and forgotten on the frontlines of Iraq

Beyond Duty Shannon Meehan, 2013-04-30 Under the blazing Iraqi sun in the summer of 2007 Shannon Meehan a lieutenant in the U S Army ordered a strike that would take the lives of innocent Iraqi civilians He thought he was doing the right thing He thought he was protecting his men He thought that he would only kill the enemy but in the ruins of the strike he discovers his mistake and uncovers a tragedy For most of his deployment in Iraq Lt Meehan felt that he had been made for a life in the military A tank commander he worked in the violent Diyala Province successfully fighting the insurgency by various Sunni and Shia factions He was celebrated by his senior officers and decorated with medals But when the U S surge to retake Iraq in 2006 and 2007 finally pushed into Baqubah a town virtually entirely controlled by al Qaida Meehan would make the decision that would change his life This is the true story of one soldier s attempt to reconcile what he has done with what he felt he had to do Stark and devastating it recounts first hand the reality of a new type of warfare that remains largely unspoken and forgotten on the frontlines of Iraq

Blunt Traumas: Negotiating Suffering and Death Nate Hinerman, Holly Lynn Baumgartner, 2019-07-22 This volume was first published by Inter Disciplinary Press in 2016 From the ridicule of Emo culture on YouTube to the minute joys of the Happy Hour Trolley in an Australian palliative care setting responses to suffering and death range from avoidance to eradication Blunt Traumas thoughtfully engages these topics with compassion and brutal honesty Contributors across the spectrum of professions using a variety of methodologies including case studies fieldwork systematic philosophy and historical and textual analysis all respond to the orienting question How does culture impact co create and or produce suffering Their inter and multi disciplinary perspectives are divided into two sections The first Public Perceptions of Death Dying and Suffering closely examines human interactions with and performance of technologies of suffering from wireless to religious dead baby bloggers to wounded warriors The second half of the book focuses on the The Sufferer s Right to Choose whether that concerns end of life decisions medical technologies or narratives of self Together these chapters provide greater intelligibility on and provocative discussions about the oft ignored or buried discourses of suffering and dying

Armed Forces and Insurgents in Modern Asia Kaushik Roy, Sourish Saha, 2016-03-31 This volume traces the historical roots and evolution of insurgencies and counter insurgencies in modern Asia Focusing on armed rebellions and use of armed forces by both Western powers and indigenous states from the nineteenth century till present day the volume unravels the problematic of

change continuity and addresses key questions on the nature of warfare The book looks at eight different regions of Asia US counter insurgencies in Philippines the British initiative in Indonesia and independent Indonesia s counter insurgency against its domestic populace post World War II Malaya French and US war in Vietnam British and Indian counter insurgencies in North East India between the nineteenth and early twenty first century Indian and Sri Lankan operations in Sri Lanka during late twentieth and early twenty first centuries British and US NATO war in Afghanistan from the nineteenth century till 2014 and British and US counter insurgency in Iraq during the twentieth and first two decades of the twenty first centuries The volume will greatly interest scholars and researchers of modern Asian history military and strategic studies politics and international relations as well as government institutions and think tanks

Invisible Wounds of War Marguerite Guzman Bouvard, 2012-07-24 There s no real homecoming for many of our veterans returning from the wars in Iraq and Afghanistan They may go through the motions of daily life in their hometowns but the terrible sights and sounds of war are still fresh in their minds This empathic inside look into the lives of our combat veterans reveals the lingering impact that the longest wars in our nation s history continue to have on far too many of our finest young people Basing her account on numerous interviews with veterans and their families the author examines the factors that have made these recent conflicts especially trying A major focus of the book is the extreme duress that is a daily part of a soldier s life in combat zones with no clear frontlines or perimeters Having to cope with unrecognizable enemies in the midst of civilian populations and attacks from hidden weapons like improvised explosive devices exacts a heavy toll Compounding the problem is the all volunteer nature of our armed forces which often demands multiple deployments of enlistees This results in frequent cases of post traumatic stress disorder and families disrupted by the long absence of one and sometimes both parents The author also discusses the lack of connectedness between civilian society and military personnel leading to inadequate healthcare for many veterans This deficiency has been highlighted by the urgent need to treat traumatic brain injuries in survivors of explosions and the high veteran suicide rate Bouvard concludes on a positive note by discussing some of the surprising and encouraging ways that the chasm between civilian and military life is being bridged to help reintegrate our returning soldiers For veterans their families and especially for civilians unaware of how much our soldiers have endured The Invisible Wounds of War is important reading

New Wars and New Soldiers Asst Prof Jessica Wolfendale, Dr Paolo Tripodi, 2013-03-28 Modern conflicts now bear little relation to traditional wars between states The threat of terrorism the creation of new military technologies the rise of private military companies and the increasing involvement of the military in counter terrorism and humanitarian operations all pose challenges to traditional ideas about the ethics of war the relevance of current international law governing armed conflict and Just War theory How then should military ethics approach these new forms of conflict Modern military ethics now includes work from disciplines as diverse as philosophy history sociology international relations politics and psychology This diversity of approaches suggests that the approach to contemporary military ethics that is best

suited to understanding the wars of today is a broad multidisciplinary vision. By bringing together contributors from philosophy, international relations, security studies, and strategic studies, this volume offers just such an interdisciplinary analysis. The chapters in this volume explore the ethical issues posed by recent developments in both the nature and conduct of war as well as focusing on the role and needs of modern military personnel. This comprehensive approach allows the reader to see the broad scope of modern military ethics and to understand the numerous questions about modern conflict that require critical scrutiny. Aimed at both military and academic audiences, this volume will be of significant interest to researchers and students in philosophy, sociology, military and strategic studies, international relations, politics, and security studies.

Handbook of the Sociology of Morality Steven Hitlin, Stephen Vaisey, 2010-10-17 Human beings necessarily understand their social worlds in moral terms, orienting their lives, relationships, and activities around socially produced notions of right and wrong. Morality is sociologically understood as more than simply helping or harming others; it encompasses any way that individuals form understandings of what behaviors are better than others, what goals are most laudable, and what proper people believe, feel, and do. Morality involves the explicit and implicit sets of rules and shared understandings that keep human social groups intact. Morality includes both the shoulds and should-nots of human activity, its proactive and inhibitive elements. At one time, sociologists were centrally concerned with morality issues like social cohesion, values, the goals and norms that structure society, and the ways individuals get socialized to reproduce those concerns. In the last half century, however, explicit interest in these topics has waned, and modern sociology has become uninterested in these matters, and morality has become marginalized within the discipline. But a resurgence in the topic is happening in related disciplines: psychology, neurology, philosophy, and anthropology, and in the wider national discourse. Sociology has much to offer but is not fully engaged in this conversation. Many scholars work on areas that would fall under the umbrella of a sociology of morality but do not self-identify in such a manner nor orient their efforts toward conceptualizing what we know and should know along these dimensions. The *Handbook of the Sociology of Morality* fills a niche within sociology, making explicit the shared concerns of scholars across the disciplines as they relate to an often overlooked dimension of human social life. It is unique in social science as it would be the first systematic compilation of the wider social, structural, cultural, cross-national, organizational, and interactional dimension of human moral understanding, broadly thought, feeling, and behavior.

Dirty Wars Simon Innes-Robbins, 2016-10-06 Who is the enemy? This is the question most asked in modern warfare. Gone are the set-piece conventional battles of the past. Once seen as secondary to more traditional conflicts, irregular warfare has been modified and refashioned since the 1990s, now presenting a major challenge to the state and the bureaucratic institutions which have dominated the twentieth century, and to the politicians and civil servants who formulate policy. Twenty-first century conflict is dominated by counterinsurgency operations where the enemy is almost indistinguishable from innocent civilians. Battles are gunfights in jungles, deserts, and streets; winning hearts and minds is as important as holding territory.

From struggles in South Africa the Philippines and Ireland to operations in Iraq Afghanistan and Chechnya this book covers the strategy and doctrine of counterinsurgency and the factors which ensure whether such operations are successful or not Recent ignorance of central principles and the emergence of social media which has shifted the odds in favour of the insurgent have too often resulted in failure leaving governments and their security forces embedded in a hostile population immersed in costly and dangerous nation building

Generation Vet Sue Doe, Lisa Lanstraat, 2014-04-15 Institutions of higher education are experiencing the largest influx of enrolled veterans since World War II and these student veterans are transforming post secondary classroom dynamics While many campus divisions like admissions and student services are actively moving to accommodate the rise in this demographic little research about this population and their educational needs is available and academic departments have been slower to adjust In Generation Vet fifteen chapters offer well researched pedagogically savvy recommendations for curricular and programmatic responses to student veterans for English and writing studies departments In work with veterans in writing intensive courses and community contexts questions of citizenship disability activism community campus relationships and retention come to the fore Moreover writing intensive courses can be sites of significant cultural exchanges even clashes as veterans bring military values rhetorical traditions and communication styles that may challenge the values beliefs and assumptions of traditional college students and faculty This classroom oriented text addresses a wide range of issues concerning veterans pedagogy rhetoric and writing program administration Written by diverse scholar teachers and written in diverse genres the essays in this collection promise to enhance our understanding of student veterans composition pedagogy and administration and the post 9 11 university

Beyond Duty Life On The Frontline In Iraq Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Beyond Duty Life On The Frontline In Iraq free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Beyond Duty Life On The Frontline In Iraq free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF,"

users can find websites that offer free PDF downloads on a specific topic. While downloading Beyond Duty Life On The Frontline In Iraq free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Beyond Duty Life On The Frontline In Iraq. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Beyond Duty Life On The Frontline In Iraq any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Beyond Duty Life On The Frontline In Iraq Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Beyond Duty Life On The Frontline In Iraq is one of the best book in our library for free trial. We provide copy of Beyond Duty Life On The Frontline In Iraq in digital format, so the resources that you find are reliable.
