Beyond News The Future Of Journalism Columbia Journalism Review Books:

Beyond News Mitchell Stephens, 2014-02-04 For a century and a half journalists made a good business out of selling the latest news or selling ads next to that news Now that news pours out of the Internet and our mobile devices fast abundant and mostly free that era is ending Our best journalists Mitchell Stephens argues instead must offer original challenging perspectives not just slightly more thorough accounts of widely reported events His book proposes a new standard wisdom journalism an amalgam of the more rarified forms of reporting exclusive enterprising investigative and informed insightful interpretive explanatory even opinionated takes on current events This book features an original sometimes critical examination of contemporary journalism both on and offline And it finds inspiration for a more ambitious and effective understanding of journalism in examples from twenty first century articles and blogs as well as in a selection of outstanding twentieth century journalism and Benjamin Franklin s eighteenth century writings Most attempts to deal with journalism s current crisis emphasize technology This book emphasizes mindsets and the need to rethink what journalism has been and might become

Journalism Under Fire Stephen Gillers, 2018-08-07 A healthy democracy requires vigorous uncompromising investigative journalism But today the free press faces a daunting set of challenges in the face of harsh criticism from powerful politicians and the threat of lawsuits from wealthy individuals media institutions are confronted by an uncertain financial future and stymied by a judicial philosophy that takes a narrow view of the protections that the Constitution affords reporters In *Journalism Under Fire* Stephen Gillers proposes a bold set of legal and policy changes that can overcome these obstacles to protect and support the work of journalists Gillers argues that law and public policy must strengthen the freedom of the press including protection for news gathering and confidential sources He analyzes the First Amendment s Press Clause drawing on older Supreme Court cases and recent dissenting opinions to argue for greater press freedom than the Supreme Court is today willing to recognize Beyond the First Amendment *Journalism Under Fire* advocates policies that facilitate and support the free press as a public good Gillers proposes legislation to create a publicly funded National Endowment for Investigative Reporting modeled on the national endowments for the arts and for the humanities improvements to the Freedom of Information Act and a national anti SLAPP law a statute to protect media organizations from frivolous lawsuits to help journalists and the press defend themselves in court Gillers weaves together questions of journalistic practice law and policy into a program that can ensure a future for investigative reporting and its role in our democracy

The New Censorship Joel Simon, 2014-11-11 An examination of how the media is under fire and how to safeguard journalists and the information they seek to share with the public Journalists are being imprisoned and killed in record numbers Online surveillance is annihilating privacy and the Internet can be brought under government control at any time Joel Simon the executive director of the Committee to Protect Journalists warns that we can no longer assume that our global information ecosystem is stable protected and robust Journalists are increasingly vulnerable to attack by authoritarian

governments militants criminals and terrorists who all seek to use technology political pressure and violence to set the global information agenda Reporting from Pakistan Russia Turkey Egypt and Mexico among other hotspots Simon finds journalists under threat from all sides The result is a growing crisis in information a shortage of the news we need to make sense of our globalized world and fight human rights abuses manage conflict and promote accountability Drawing on his experience defending journalists on the front lines he calls on global citizens U S policy makers international law advocates and human rights groups to create a global freedom of expression agenda tied to trade climate and other major negotiations He proposes ten key priorities including combating the murder of journalists ending censorship and developing a global free expression charter to challenge the criminal and corrupt forces that seek to manipulate the world s news Wise and insightful Simon offers hope to all who care about maintaining the free flow of information in a world full of would be censors Ann Cooper Columbia Journalism School

Engaged Journalism Jake Batsell, 2015-02-03 Engaged Journalism explores the changing relationship between news producers and audiences and the methods journalists can use to secure the attention of news consumers Based on Jake Batsell s extensive experience and interaction with more than twenty innovative newsrooms this book shows that even as news organizations are losing their agenda setting power journalists can still thrive by connecting with audiences through online technology and personal interaction Batsell conducts interviews with and observes more than two dozen traditional and startup newsrooms across the United States and the United Kingdom Traveling to Seattle London New York City and Kalamazoo Michigan among other locales he attends newsroom meetings combs through internal documents and talks with loyal readers and online users to document the successes and failures of the industry s experiments with paywalls subscriptions nonprofit news live events and digital tools including social media data driven interactives news games and comment forums He ultimately concludes that for news providers to survive they must constantly listen to interact with and fulfill the specific needs of their audiences whose attention can no longer be taken for granted Toward that end Batsell proposes a set of best practices based on effective sustainable journalistic engagement

The Future of Journalism: Developments and Debates Bob Franklin, 2015-09-25 The Future of Journalism Developments and Debates analyses the radical shifts in journalism which are changing every aspect of the gathering reporting and reception of news The drivers of these changes include the rapid innovations in communication technologies the competitive and fragmenting markets for audiences and advertising revenues and the collapse of traditional business models for financing media organisations as well as changing audience requirements for news the ways in which it is presented and the expansive number of increasingly mobile devices on which it is produced and consumed Each of these trends has significant implications for journalists for their jobs workplaces products and perceptions of their professional roles ethical judgements and day to day practice They also pose significant challenges for the future funding of a sustainable critical and high quality democratic journalism The Future of Journalism Developments and Debates comprises the research based responses of distinguished academic

specialists and professional journalists to the challenging issues involved in assessing the future of journalism It is essential reading for everyone interested in the changing role of journalism in the economic democratic and cultural life of communities locally nationally and globally This book was originally published as two special issues of Journalism Studies and Journalism Practice
