## **Beyond Shame:**

**Beyond Shame** Matthias Roberts, 2020-01-07 We all carry sexual shame Whether we grew up in the repressive purity culture of American Evangelical Christianity or not we've all been taught in subtle and not so subtle ways that sex outside of very specific contexts is immoral and taboo Psychotherapist Matthias Roberts helps readers overcome their shame around sex by overcoming three unhealthy coping mechanisms we use to manage that shame *Beyond Shame* encourages each of us to determine our own definition of healthy sex while avoiding the ditches of boundaryless sex positivity on the one hand and strict moralistic boundaries on the other Define your sexual values on your own terms overcome your shame and start having great healthy sex *Beyond Shame and Pain* John Michael Berez, 1998 Forgiveness like apple pie is something most people want more of but few know how to achieve genuinely This book will provide fresh ideas on how to appropriate more of this psychologically powerful commodity to a discouraged world **Life Beyond Shame: Rewriting the Rules** Connie Dawson, PhD, 2016-03-18 We've lived for eons with a set of rules guiding how we have relationships with one another These Old Rules have without question been inadvertently passed without examination from generation to generation by our families Its past time to expose them to the light of day Why Together these Old Rules create a toxic environment we accept as inviolate We struggle against others and against ourselves not realizing that the shame based Old Rules hold us back from being who we are meant to be and doing what we are meant to do When feelings of undeserved shame something is wrong with us become part of how we think of ourselves two things are true 1 our true selves become more defended and less available to ourselves and others and 2 we become more easily manipulated to serve someone else's needs in ways that are not in our best interests That sense of shame and the Old Rules reinforce each other One look at them and its easy to see how they make it difficult to have healthy relationships They are definitely not conducive to happiness We know better We just need to know how to do better one rule at a time Unmasking and replacing Old Rules with even one of the New Rules begins to change everything Change the rules change the game *Beyond Shame (Beyond Series, Book 1)* Kit Rocha, 2012-09 All Noelle Cunningham has ever wanted was a life beyond beyond her stifling role as a prim and proper councilman's daughter and beyond the walls of the patriarchal city of Eden the only remnants of safety in a world destroyed by solar storms decades earlier But when she is banished for violating the prohibition against immorality she is unprepared for the lawless world outside the city's walls The sectors surrounding Eden house those abandoned to fend for themselves men like Jasper McCray bootlegger and cage fighter Jas clawed his way up from nothing to stand at the right hand of Sector Four's ruthless leader and he'll defend the O Kane gang with his life But fighting hasn't prepared him for dealing with a sheltered City princess who falls at his feet Her innocence is undeniable but so is her intense sexual curiosity Soon they're exploring every dark fantasy she's ever been ashamed to have But if Noelle wants to claim her place with the O Kanes and at Jas's side she'll have to find the courage to embrace something even more terrifying than her own desires Her own power The Beyond Series is dystopian erotic

romance While the books explore kink and sex with multiple partners in a dark and decadent world all sex between characters is 100% consensual

Beyond Innocence Kit Rocha,2015-05-20 For years Jared has existed on the fringes of both Eden society and Dallas O Kane s Sector Four gang He travels between these worlds protected by his money and power money he earned selling his body and power that comes from knowing secrets He s untouchable until he starts a new life gathering intelligence for the O Kanes Lili Fleming walked out of Sector Five with a gun the bloodstained clothes on her back and an icy determination to survive She finds herself in a world where people live hard and love harder and nothing s more terrifying than how much the O Kanes wake her up make her feel especially Jared Emotion is a risk he can t afford and a complication she doesn t need But neither can resist the lust simmering between them and the sparks that could either melt the ice around both their hearts or get them killed Because the only thing more dangerous than loving an O Kane is loving a spy
