

Budgets are not connected to prior year spending

- Prevents "embedding" of existing spend in the cost base
- Allows spending levels to be set based on necessary activities of a function, rather than historical trends
- Requires more work to understand activities and cost structure

Spending increases or cuts are not simply spread evenly across budgets

- Eliminates common "sandbagging" practices in budgeting process
- Allows for more strategic allocation of planned spend
- Requires more work to analyze and prioritize activities and expenditures

Zero-Based Budgeting (ZBB)

A budgeting process that allocates funding based on program efficiency and necessity rather than budget history

Budgets are tied to specific activities and levels of service

- Better aligns spending targets with required activities of a function
- Replaces "do more with less" with "do the right things with the right amount"
- Requires fairly detailed knowledge of departmental activities and willingness to do less or discontinue activities

Funding is targeted more to activities that align with the strategy

- Allows for better alignment of expenditure with overall strategy and departmental missions
- Can reduce incidence of "we've always done that"
- Prioritizing activities across various functions can be challenging

Burger King Zero Based Budgeting

John Kay

Burger King Zero Based Budgeting:

Productivity In Singapore's Retail And Food Services Sectors: Contemporary Issues Mun Heng Toh, Shandre M Thangavelu, 2016-11-25 The Retail and Food Services sectors play an important role in Singapore. They add to the vibrancy of the economy and contribute to the social well being of Singaporeans. At the same time they are often highlighted and scrutinised for their low productivity performance and high reliance on manpower. There is to date a lack of local literature that addresses the issues faced by the two sectors at the enterprise and worker levels. This timely book includes major topics in services productivity in the Singapore context with emphasis on Retail and Food Services. Topics covered include the key productivity levers of the services sectors, holistic productivity measurement framework, effective entrepreneurship, manpower management, promotion by social media, marketing costing process and accounting sophistication. These areas are explored through literature reviews and in depth interviews with companies and consumers. The chapters also include recommendations for policy makers and industry stakeholders. Written in a simple and accessible manner, this book will serve as an insightful guide to researchers, policy makers, industry practitioners and enterprises and those who are keen to learn from the Singapore experience.

The Big Zero Kris Timmermans, Chris Roark, Rodrigo Abdalla, 2019-06-17 Do you want to achieve startup speed at enterprise scale? Growth is what every company strives for. But it's become more and more elusive as companies struggle to hit their projected growth rates in an increasingly competitive market. While zero based budgeting (ZBB) has been wielded for decades to cut costs, it falls short when it comes to spurring growth. But a zero based mindset (ZBx) does that and more. ZBx facilitates forensic oversight into resource allocation that funnels savings back into growth initiatives and encourages new sources of innovation. The Big Zero shows how a ZBx approach focuses on agility over austerity, visibility over guesswork and the future over the past to fuel growth and competitiveness.

Cases in Public Relations

Management Patricia Swann, 2014-02-18 Developed for advanced students in public relations, *Cases in Public Relations Management* uses recent cases in public relations that had outcomes varying from expected to unsuccessful. The text challenges students to think analytically, strategically and practically. Each case is based on real events and is designed to encourage discussion, debate and exploration of the options available to today's strategic public relations manager. Key features of this text include coverage of the latest controversies in current events, discussion of the ethical issues that have made headlines in recent years and strategies used by public relations practitioners. Each case has extensive supplemental materials taken directly from the case for students' further investigation and discussion. The case study approach encourages readers to assess what they know about communication theory, the public relations process and management practices and prepares them for their future careers as PR practitioners. New to the second edition are 27 new case studies including coverage of social media and social responsibility elements. New chapters on corporate social responsibility (CSR) and activism. End of chapter exercises. Embedded hyperlinks in eBook. Fully enhanced companion website that includes Instructor

resources PowerPoint presentations Case Supplements Instructor Guides Student resources Quizzes Glossary Case Supplements

The Man Who Broke Capitalism David Gelles, 2022-05-31 New York Times Bestseller New York Times reporter and Corner Office columnist David Gelles reveals legendary GE CEO Jack Welch to be the root of all that's wrong with capitalism today and offers advice on how we might right those wrongs In 1981 Jack Welch took over General Electric and quickly rose to fame as the first celebrity CEO He golfed with presidents mingled with movie stars and was idolized for growing GE into the most valuable company in the world But Welch's achievements didn't stem from some greater intelligence or business prowess Rather they were the result of a sustained effort to push GE's stock price ever higher often at the expense of workers consumers and innovation In this captivating revelatory book David Gelles argues that Welch single handedly ushered in a new cutthroat era of American capitalism that continues to this day Gelles chronicles Welch's campaign to vaporize hundreds of thousands of jobs in a bid to boost profits eviscerating the country's manufacturing base and destabilizing the middle class Welch's obsession with downsizing he eliminated 10% of employees every year fundamentally altered GE and inspired generations of imitators who have employed his strategies at other companies around the globe In his day Welch was corporate America's leading proponent of mergers and acquisitions using deals to gobble up competitors and giving rise to an economy that is more concentrated and less dynamic And Welch pioneered the dark arts of financialization transforming GE from an admired industrial manufacturer into what was effectively an unregulated bank The finance business was hugely profitable in the short term and helped Welch keep GE's stock price ticking up But ultimately financialization undermined GE and dozens of other Fortune 500 companies Gelles shows how Welch's celebrated emphasis on increasing shareholder value by any means necessary layoffs outsourcing offshoring acquisitions and buybacks to name but a few tactics became the norm in American business generally He demonstrates how that approach has led to the greatest socioeconomic inequality since the Great Depression and harmed many of the very companies that have embraced it And he shows how a generation of Welch acolytes radically transformed companies like Boeing Home Depot Kraft Heinz and more Finally Gelles chronicles the change that is now afoot in corporate America highlighting companies and leaders who have abandoned Welchism and are proving that it is still possible to excel in the business world without destroying livelihoods gutting communities and spurning regulation

Introduction to Marketing Concepts Graeme Drummond, John Ensor, 2006-08-11 Written in a user friendly way to ensure the information is accessible *Introduction to Marketing Concepts* is ideally suited to students that are faced with time pressures yet need to gain a comprehensive understanding of the main concepts of marketing The authors focus only on the points that are needed to be able to understand the theory without the entanglement of additional information This ensures students do not have to wade through non essential information to get to grips with the subject A balance between basic marketing and strategic concepts makes it suitable for all levels Each chapter contains a series of vignettes to illustrate the theory with the marketing perspective evident throughout and a Web

based resource that accompanies the text **The Corporation in the Twenty-First Century** John Kay, 2025-01-07 A radical reappraisal of the nature and activities of business what it is for and how it works A characteristically acerbic analysis of the archetypal organisational unit of capitalism Andrew Hill Financial Times Best Books of 2024 Business Shortlisted for the 2024 Financial Times and Schroders Business Book of the Year Award In the world of Adam Smith and Karl Marx capitalists built and controlled mills and factories That relationship between capital and labor continued in the automobile assembly lines and petrochemical plants of the twentieth century But no longer products and production have dematerialized The goods and services provided by the leading companies of the twenty first century appear on your screen fit in your pocket or occupy your head Ownership of the means of production is a redundant concept Workers are the means of production increasingly they take the plant home Capital is a service bought from a specialist supplier with little influence over customer businesses The professional managers who run modern corporations do not exert authority because they are wealthy they are wealthy because they exert authority John Kay s incisive overhaul of our ideas about business redefines our understanding of successful commercial activity and the corporation and describes how we have come to love the product as we hate the producer This is a brilliant and original work from one of the greatest economists **Strategic Marketing: Planning and Control** Graeme Drummond, John Ensor, Ruth Ashford, 2007-06-01 Strategic Marketing planning and control covers contemporary issues by exploring current developments in marketing theory and practice including the concept of a market led orientation and a resource asset based approach to internal analysis and planning The text provides a synthesis of key strategic marketing concepts in a concise and comprehensive way and is tightly written to accommodate the reading time pressures on students The material is highly exam focused and has been class tested and refined Completely revised and updated the second edition of Strategic Marketing planning and control includes chapters on competitive intelligence strategy formulation and strategic implementation The final chapter featuring mini case studies has been thoroughly revised with new and up to date case material **Zero-budget Marketing** Ira S. Kalb, 1996 [The Complete Financial History of Berkshire Hathaway](#) Adam J. Mead, 2021-04-13 For the first time the complete financial history of Berkshire Hathaway is available under one cover in chronological format Beginning at the origins of the predecessor companies in the textile industry the reader can examine the development of the modern day conglomerate year by year and decade by decade watching as the struggling textile company morphs into what it has become today This comprehensive analysis distils over 10 000 pages of research material including Buffett s Chairman s letters Berkshire Hathaway annual reports and SEC filings annual meeting transcripts subsidiary financials and more The analysis of each year is supplemented with Buffett s own commentary where relevant and examines all important acquisitions investments and other capital allocation decisions The appendices contain balance sheets income statements statements of cash flows and key ratios dating back to the 1930s materials brought together for the first time The structure of the book allows the new student to follow the logic reasoning

and capital allocation decisions made by Warren Buffett and Charlie Munger from the very beginning Existing Berkshire shareholders and long time observers will find new information and refreshing analysis and a convenient reference guide to the decades of financial moves that built the modern day respected enterprise that is Berkshire Hathaway **Ground Zero** Conrad Riker, 101-01-01 When the System Erases You Will You Crumble or Claim Kingship What if losing everything wasn't the end but the raw material for forging an unbreakable identity Can betrayal poverty and isolation become weapons to rebuild a life of purpose and power Why do weak men beg for fairness while strong men create new kingdoms from chaos Convert systemic betrayal into a tactical war plan for dominance Replace victimhood with Spartan discipline sleep nutrition cold resolve Erase F O M O by mastering the chaos calculus of stoic reinvention Weaponize grief to fuel financial resurrection live lean conquer abundance Delete feminist mind viruses restore primal masculine sovereignty Forge unshakable routines that hack depression into disciplined action Resurrect faith as armor against cultural Marxism's spiritual rot Architect a new legacy one your enemies can't steal courts can't tax and time can't erase If you're ready to incinerate weakness and rise as the architect of your kingdom buy this book today
