Burial Or Cremation Does It Matter

Donald Howard

Burial Or Cremation Does It Matter:

Burial Or Cremation Donald Howard, 2001 How should Christians dispose of the bodies of their loved ones after death Does the Bible give us authoritative guidance on this question or are we free to decide on the basis of pragmatic arguments or even personal taste Donald Howard is convinced that the Scriptures do give a clear answer to this question Burial alone has the endorsement of God's Word and that Word not tradition sentiment or custom must direct us in both our living and our dying It is the writer's firm belief that burial alone gives specific testimony to the Christian doctrine of the resurrection of the dead The author traces the history of burial through the Old Testament to the culminating example of Christ's burial and resurrection discusses the practice of cremation in the modern world and gives wise counsel on the need to grieve and to plan for our own funeral His whole approach is based on the glorious privilege of being united to Christ in His death burial and resurrection

Cremation, Embalment, or Neither? Alvin J. Schmidt, 2015-03-27 This book documents today's rising rates of cremation in the West and notes that these rates now include many deceased Christians a stark contrast to Christians in the past who had consistently rejected cremation from their earliest years in pagan Rome to the mid 1960s Christians opposed and spurned cremation for a number of reasons discussed in this book By mid fourth century Christianity's rejection of cremation influenced pagan Rome to abandon cremation Earth burial became the only acceptable way to dispose of deceased humans resulting in a major cultural change in the West Converts to Christianity had to promise they would never be cremated Graveyards were named coemeteria Latin for where dead people sleep from which we get the word cemetery a name now contradicted by cremation This book is a clarion call to Christians Dr Schmidt has amassed historical biblical theological and practical evidences that the modern Christian church will only refuse to hear to its great loss both now and at the judgment Seat of Christ where we each shall receive what is due to for things done while in might we add to the body 2 Corinthians 5:10 Craig A Parton M A J D United States Director International Academy of Apologetics Santa Barbara California This powerful apologetic clearly establishes that cremation fails to find endorsement in the inspired Holy Scriptures Dr Schmidt's research will prove invaluable for those who might query the need for burial rather than cremation Hopefully this book will have a wide influence on Christian thought and practice Donald Howard Pastor Emeritus Anglican Church Diocese of Sydney NSW Australia Author of Burial or Cremation Does It Matter I heartily recommend Dr Schmidt's excellent book Cremation Embalment or Neither A Biblical Christian Evaluation to clergy and faithful laypeople alike concerned with the increasing rates of cremation among Christians This will be in keeping with the Apostle Paul's admonition Do not conform any longer to the pattern of the world Romans 12:2 Archbishop Victor S Potapov Rector Russian Orthodox Cathedral of St John the Baptist Washington DC This book provides an excellent opportunity for Christians to engage in deep theological thought regarding end of life decisions Dr Schmidt has thoroughly documented the historical roots for Christian burial A must read for all Christians Beth Hoeltke Ph D Librarian Concordia Seminary St Louis MO

Do

Funerals Matter? William G. Hoy, 2021-09-13 Do Funerals Matter is a creative interweaving of historical sociocultural and research based perspectives on death rituals drawing from myriad sources to create a picture of what death rituals have been and where especially in the Western world they are going The Classic Edition includes a new preface from the author reflecting on changes in the field since the book's initial publication Death educators researchers counselors clergy funeral service professionals and others will appreciate the book's theory and research based approach to the ways in which different cultural groups memorialize their dead They will also find clear clinical and practical applications in the author's exploration of the five ritual anchors of death related ceremonial practice and help for professionals counseling the bereaved surrounding funerals Based on nearly four decades of research and teaching on funeral rites this volume promises to fill an important gap in the cross cultural literature on bereavement while answering an important question for our generation Do funerals matter

Straight Answers to 35 Tough Questions Gordon Kainer, 2017-07-18 Many years ago Bob Dylan wrote The answer my friend is blowing in the wind but we've learned that really important answers don't come that easily Asking questions is a sign of a healthy growing faith a faith that drives us deeper into God's Word That's the reason God's first question in the Old Testament is Where are you while the first question the wise men ask in the New Testament is Where is He It's been observed that God answers just enough questions to get us through the day while leaving us with enough unanswered questions so we can look forward to learning more tomorrow This book is designed to deal with some of our most difficult questions or troubling issues from a biblical perspective At times it may appear that some questions have no answer or maybe have more than one or perhaps have answers that contradict each other That's one reason we're not only to confront knotty questions but willingly accept God's unraveling answers
