Believe Jeremy Egner,2024-11-12 From The New York Times's Jeremy Egner the definitive book on Ted Lasso When Ted Lasso first aired in 2020 nobody including those who had worked on it knew how a show inspired by an ad centered around soccer filled mostly with unknown actors and led by a wondrously mustachioed nice guy would be received Eleven Emmys and one Peabody Award later it's safe to say that the show's status as a pop culture phenomenon is secure In *Believe* entertainment journalist and Ted Lasso fan Jeremy Egner traces the show's creation and legacy through the words of the people at its center Drawing on dozens of interviews from key cast creators and more *Believe* takes readers from the first silly NBC Premier League commercial to the pitch to Apple executives then into the show's writers room through the brilliant international casting and on to the unforgettable set and locations of the show itself Brimming with careful reporting and written to match the show's heart and humor *Believe* tells a story of teamwork of hidden talent of a group of friends looking around at the world's increasingly nasty discourse and deciding that maybe simple decency still has the power to bring us together a story about what happens when you dare to believe **Take Up Space** The Editors of New York
