Words from the Hill Stu Garrard, 2017-04-18 A disruptive and surprising journey through the Beatitudes Most of the time life doesn t work out like we expect it will We spend time and energy trying to climb some sort of spiritual ladder oblivious to the fact that it is God who is moving toward us We want answers to our problems yet what is offered is presence What if we were to become united with our brokenness rather than our victories What if God moves closest to us in the absence the ache and the longing **Words from the Hill** turns each beatitude on its head to see the unexpected beneath the understood diving into the story of a woman on death row to speak about mercy personal stories from the Israeli Palestinian conflict to talk about peace and much more Stu Garrard has walked with these people in their stories and he vulnerably offers his own as he unpacks the Good News of the Beatitudes God is on your side and He is closer than you think

Whole Steve Wiens, 2017 Look around and you ll notice The world is covered with jagged edges People are broken all over the place Places are broken all around us But we were made for better than this We were made for shalom We were made to be whole and to make things whole This is an empowering journey for those who hunger for a better life for a better world for those who want to plant and grow the seeds of restoration in themselves and their communities and for those who want to see the jagged edges made smooth as we move from brokenness to wholeness
