And Tonight Again Clive Barker:

Tonight, Again: Tales of Love, Lust, and Everything in Between Clive Barker, 2018-02-28 Tonight Again marks Clive Barker's first collection since the Books of Blood over 25 years ago. It contains more than thirty primarily erotic short stories and vignettes, most of them previously unpublished, along with explicit illustrations by the author in his signature style. As an exploration of extremes in lush prose and evocative images, Tonight Again is not to be missed by the author's many fans.

Clive Barker Sorchá Ní Fhlainn, 2017-10-03 Clive Barker Dark imager explores the diverse literary, film, and visionary creations of the polymathic and influential British artist Clive Barker. In this necessary and timely collection, innovative essays by leading scholars in the fields of literature, film, and popular culture explore Barker's contribution to gothic fantasy and horror studies, interrogating his creative legacy. The volume consists of an extensive introduction and twelve groundbreaking essays that critically reevaluate Barker's oeuvre. These include in-depth analyses of his celebrated and lesser-known novels, short stories, theme park designs, screen and comic book adaptations, film direction and production sketches, and book illustrations, as well as responses to his material from critics and fan communities. Clive Barker Dark imager reveals the breadth and depth of Barker's distinctive dark vision, which continues to fascinate and flourish. *Clive Barker's First Tales*

Clive Barker, 2017-11-19 CLIVE BARKER'S FIRST TALES First Tales, the inaugural self-published release from Clive Barker's Seraphim Ink, is a book that contains two original stories of fantastic fiction penned by Clive when he was a young man of 17. The book begins with *The Wood on the Hill*, a short story about a bourgeois woman who is soon to learn a terrifying lesson concerning her complete disregard for anyone other than herself. The second tale, *The Candle in the Cloud*, is a novella of dark fantasy which follows three children who discover a magical candle that transports them to a world where a plague cloud is destroying everything in its wake. These two tales, the first ever written by Clive, are offered here for the very first time. Their production has been lovingly supervised by Clive himself to ensure that these are not mere books but works of art to be cherished. Complete with original illustrations and appendices on select editions, First Tales is sure to delight everyone from longtime fans to new readers. In his own words: "These two stories represent the two essential structures of fantastic literature. *The Wood on the Hill* is about an incursion of unearthly elements into an approximation of our world. *The Candle in the Cloud* is about a journey taken by people from our world into another reality. Yin and Yang, if you like. Forces pulling in opposing directions but to achieve the same end. Revelation." *Clive Barker's Collected Best Hellraiser* Alex Ross, Clive
