Revelation Explained Makishimo Dale, 2023-11-12 In this book you're going on a journey into the future exploring mysterious events from a long time ago and getting a peek into what might happen in the future This book shares ancient words written by the prophet John but translated in a way that's easy for young minds to understand It's like a special version of the Book of Revelation just for young readers helping you unlock secrets about what's going to happen The idea behind this book is to make profound concepts understandable for young people It's similar to what Paul mentioned in Corinthians 3:1-2 where he felt that some people were more interested in worldly things than living spiritually It's like dealing with spiritual children instead of mature Christians So to keep things simple like giving spiritual milk instead of solid food because it seemed like they weren't quite ready for deeper insights back then and it still feels like they need more time to grow into it This book wants to be a helpful guide breaking down ideas into simple steps for your spiritual journey The goal is not to confuse you but to shed light on the future in a way that makes sense for young minds Each chapter acts as a small step helping you understand more similar to how you grow physically and mentally The intention is to provide gradual insights that align with your growth The Book of Revelation is like a secret code with symbols but don't worry this book explains each symbol in a way that most people agree with It's like having a wise friend with you helping you understand the meanings and clear up the mysteries To make it more interesting each chapter has pictures that show you what's happening in the story These pictures help you imagine the scenes So as you read let your mind wander and the pictures will be like friends on this exciting journey The information in this book comes from the Bible a really wise book The translation tries to keep things simple and clear so it's easy for young readers to understand Each word is like a step guiding you smoothly through the story This book isn't just about solving mysteries it's like an invitation to learn important things It wants you to explore spiritual ideas understand old predictions and find meaning in the pictures and symbols on the pages Think of each chapter as a door to new discoveries and as you read you'll pick up knowledge and understanding As you start reading the Book of Revelation let the words be your guide the symbols be like your teachers and the pictures take you to different places Hopefully reading this book will be a chance to learn and a moment of wonder as you discover secrets and wisdom that go beyond time
